The Ford Fleet 1923 1989:

The Ford Fleet (1923-1989) Clare J. Snider, Michael W. R. Davis, 1994 **Detroit's Wartime Industry** Michael W. R. Davis, 2007 Just as Detroit symbolizes the U S automobile industry during World War II it also came to stand for all American industry s conversion from civilian goods to war material The label Arsenal of Democracy was coined by Pres Franklin D Roosevelt in a fireside chat radio broadcast on December 29 1940 nearly a year before the United States formally entered the war Here is the pictorial story of one Detroiters unique leadership in the miraculous speed Detroit s mass production capacity was shifted to output of tanks trucks guns and airplanes to support America s victory and of the struggles of civilians on the home front **Historical Dictionary of the U.S. Maritime Industry** Kenneth J. Blume, 2011-12-22 From the Spanish galleons of the 16th century to the cruise ships and crude oil tankers of the 21st maritime industries have been central to American economic political and cultural life Great American fortunes were built in the maritime industries and the workers in that industry both the sailors on board the ships and the dockworkers at the port contributed significantly to the nation s growing economy The development of interior waterways especially the canal system paved the way for a transformation of inland North America In the Historical Dictionary of the U S Maritime Industry author Kenneth J Blume provides a convenient survey of this important industry from the colonial period to the present day from sail to steam to nuclear power This concise new reference work captures the key features of overseas coastal lake and river shipping and industry An introduction provides an overview of the industry while the dictionary itself contains more than four hundred cross referenced entries on ships shipping companies famous personalities and major ports A number of appendixes including statistics on foreign trade maritime disasters famous ships and major ports supplement the dictionary and a comprehensive bibliography leads the researcher to further sources This book is an excellent access point for students researchers and anyone wanting to know more about the maritime industry in the United States Clara Ford R. Bryan, 2015-07-01 Pick a good model and stay with it Henry Ford once said No he was not talking about cars he was talking about marriage Was Clara Bryant Ford a good model Her husband of fifty nine years seems to have thought so He called her The Believer and indeed Clara s unwavering support of Henry s pursuits and her patient tolerance of the quirks and obsessions that accompanied her husband s genius made it possible for him to change the world In telling the story of Clara Ford author Ford Bryan also charts the course of the growing automobile industry and the life of the enigmatic man at its helm But the book s heart is Clara herself daughter sister wife mother and grandmother cook gardener and dancer modest philanthropist and quiet role model Clara is newly revealed in accounts and documents gleaned from personal papers oral histories and archival material never made public until now These include receipts and recipes diaries and genealogies and 175 photographs Greenwood's and Dills' Lake Boats , 1995 **The Michigan Historical Review** , 1997 **Great Lakes and Midwest Catalog** Partners Book Distributing, 2007 *Ford in the Service of America* Timothy J.
