Medhurst, 2015-07-04 Excerpt from *The Foreigner in Far Cathay* This little book does not pretend to the importance of a work on China Its aim is simply to enlighten the home public as to the actual circumstances in which residents in that remote region find themselves and to supply a few scraps of information part of it new and part of it hitherto misapprehended respecting the Chinese themselves Existing relations between China and the leading Western powers are inevitably tending towards results the importance of which to both sides cannot be exaggerated and I shall consider myself fortunate if the few words which I have herein ventured should lead to a better understanding in England of our true position and interests in Far Cathay About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Foreigner in Far Cathay* W.
