The Messengers Domenic Leo, 2007-06 While waiting for their parents to pick them up after school Christopher, his little brother Alex and their cousin Andrea are playing hide and seek on the school playground. Suddenly a flash of lightning strikes and the three children are transported to another dimension. They arrive in the desolate tenth planet of our solar system TerraNize. The story focuses on the adventure and exploits taking place in a once majestic land. The beautiful planet of TerraNize with its splendid terrain and idyllic environment has been transformed into an epic wasteland. Shrouded in a constant haze of ash and soot the air is toxic. The once fertile land and gorgeous mountain ranges now bear unforgiving scars rendered by intense heat. The riverbeds are cracking from lack of moisture while the ocean lines have receded precipitously. What little wildlife remains mostly suffers from disease and starvation. Partitioning off distinctive boundaries of land are a vast array of divergent beings who have assumed control of their portion of this seemingly useless land. As the children journey through the vast arrays of lands on Terranize they unfold the catastrophic events that have delivered it to this point of despair. The evil eternal Antigond is destroying the five kingdoms of men. Small groups of Cyclops, elves, dwarfs and different tribes of men have survived Antigond's destruction but with the help of his creations the Trougliites. The Dreafs, mighty winged beasts and Brounts Antigond has united all the sub humans in a war against these last inhabitants of TerraNize. Led by Draagho the warrior king the children embark on a harrowing mission. They must find the orbs in which the life essence of the gods of TerraNize called the eternal is endowed. If the children are successful the eternal can be regenerated and destroy Antigond before he obliterates all of humanity. In a journey fraught with peril the three children dig deep into their souls for the strength and perseverance to survive. A delightful mixture of fantasy and faith.

The Messengers The Secret of the Orbs brims with action, adventure and the strength of the human spirit.
