Gallic War Julius Caesar, 1887 *Gallic War* Caesar Julius, 2019 **The Gallic War, and Other Writings. Translated, with an Introd. by Moses Hadas** Julius Caesar, 1957 The Gallic War and Other Writings Julius Caesar, Moses Hadas, 1957 **The Blazing World and Other Writings** Margaret Cavendish, 2025-06-05 I had rather die in the adventure of noble achievements than live in obscure and sluggish security One of the most diverse prolific and maverick intellectuals of her time Margaret Cavendish is known for critiquing a wide range of early modern cultural and philosophical beliefs While she was the first British woman to publish several philosophical treatises she was also profoundly interested in literature and writing in nearly every available genre indeed with her wide ranging complex and often unorthodox ideas she was a pioneer of what today would be referred to as science fiction In this edition Lisa Walters brings together well known and popular works such as *The Blazing World* alongside lesser known poems and prose pieces like *The Ambitious Traitor* and *The Unnatural Tragedy* The introduction discusses the wide ranging concepts that appear in the writings from gender and cross dressing to science and the nature of the universe and provides a fresh insight on Cavendish's proclivity for literary experimentation and innovation Areopagitica and Other Writings John Milton, 2014-11-06 John Milton was celebrated and denounced in his own time both as a poet and as a polemicist Today he is remembered first and foremost for his poetry but his great epic *Paradise Lost* was published very late in his life in 1667 and in his own time most readers more readily recognised Milton as a writer of prose This superbly annotated new book is an authoritative edition of Milton's major prose works including *Of Education* *The Tenure of Kings and Magistrates* and the *Divorce tracts* as well as the famous 1644 polemical tract on the opposing licensing and censorship *Areopagitica* **The Cambridge Companion to the Writings of Julius Caesar** Luca Grillo, Christopher B. Krebs, 2018 Well known as a brilliant general and politician Caesar also played a fundamental role in the formation of the Latin literary language and history of Latin Literature This volume provides both a clear introduction to Caesar as a man of letters and a fresh re assessment of his literary achievements
