Paty, 2014-04-28 The most important reason for knowing the location of the Garden of Eden is to study certain things that originate in the spirit realm and pose arguments and disbelief among the churches of this world One such big argument is about charismatic churches of modern times It is very important to know about these charismatic churches I am given the authority to discuss this very sensitive issue among other mysteries of this world because I have roots in charismatic diversity Focusing on my authority wont be prudent enough for the Christian community but it will be good to listen to what I have to say concerning several world issues that affect the unity of the church Though it is strange for someone to raise an argument about the location of the Garden of Eden this will afford everyone the opportunity to see behind the curtain the scriptures God provided for us
