**The Two Princes of Calabar** Randy J. Sparks, 2009-02-28 In 1767 two princes of a ruling family in Old Calabar on the slave coast of Africa were captured by English slavers The princes were themselves slavers betrayed by African competitors and so began their own odyssey of enslavement Their story written in their own hand survives as a rare firsthand account of the Atlantic slave experience The Gullah Prince Bill Lloyd, 2005-08 It took Harry Cornell two years to figure out that his wife Karen Payne did not die in the World Trade Center on nine eleven He discovers that his wife had been obsessed with finding an historic African artifact a carved statue of a Bantu warrior brought to America on a slave ship in the late eighteenth century Convinced that finding the artifact will lead to his wife Cornell travels to the Sea Islands off the coast of South Carolina The trail narrows to the five star resort of Hilton Head Island His first discovery is the murder of his wife s former lover who also was reported as a casualty of nine eleven The brutal murder draws him deep into the low country and the world of the Gullah and root doctors Cornell discovers that these medicine men of years past still work voodoo magic He finds others are intensely interested in locating the artifact as well Rebecca Kane claims that the carved statue is an heirloom of her family and she knows her fellow native islanders will help her find it Clinton Cooper the unscrupulous and disgraced former CEO is convinced the artifact will lead to a hoard of diamonds and gold bullion a treasure he desperately needs The root doctor unleashes his terrible magic to help Rebecca Kane locate the artifact but the costs are high In the end the legendary curse that accompanied the Gullah Prince works its evil one final time **The Gullah Prince** Bill Lloyd, 2005-08-24 **The Southern Literary Journal, and Magazine of Arts** , 1837 Family Values Through Children's Literature, Grades K-3 Patricia Roberts, 2000 This resource provides teachers librarians parents and others who work with children with an annotated bibliography of children s books that contain characters who display positive values as they relate to others Includes sample activities and lessons *Sapelo Island's Hog Hammock* Michele Nicole Johnson, 2009 Hog Hammock located on Georgia s Sapelo Island is only accessible by ferry or private boat It is one of the last island based Gullah Geechee communities in America a living connection to West African languages folkways and spiritual traditions With its dirt roads and tin roofed houses Hog Hammock is the site of a social hall two historic Baptist churches and a former schoolhouse all built by descendants of slaves The nearby Behavior Cemetery has burial sites that date back 200 years Much has been written about the people of Hog Hammock and Sapelo Island mostly documenting their lives as slaves and then as landowning free people working for millionaires who reshaped Sapelo Island into their own personal retreats But there is another part of the island s story one filled with entrepreneurs skilled craftsmen and community leaders that is told here in *Images of America Sapelo Island s Hog Hammock* *Southern Literary Journal and Magazine of Arts* , 1837 *We the ^Black People: Untold Truths of Black American History* Jude A. Elliott, 2025-05-17 It is important to the survival of a people their culture to have an accurate complete account of their history For way too long in United States History African

Americans have been subjected to whitewashing segmented telling of their history until now *We the Black People Untold Truths of Black American History* changes this We begin at 1441 tell as comprehensive a story about the plight of Africans in the New World United States through the present We cover well known little known topics as well as analyze the role of white supremacy in the struggle for African Americans throughout the history of the United States Despite the challenges there were many successes in the Black Experience *We the Black People* is a book long overdue to expose the American citizenry to an aspect of its history long overlooked *Powers of Persuasion* Michael Wayne Wojcik, 2025-06-25 Talismanic characters are believed to influence others attract attention and offer divine protection Inspired by a true story *Powers of Persuasion* follows four such figures each one a living talisman rooted in the mystic soil of South Carolina s Low Country A doctor who treats without a license and taps into something deeper than medicine A charismatic prosecutor whose empire rests on power prestige and privilege An unorthodox sheriff who rarely carries a gun but wields influence like a weapon And a visionary school leader who transforms a crumbling schoolhouse into a sanctuary for learning and hope Their stories intertwine in a world shaped by hoodoo hidden power and the enduring battle between justice and control Step into a world where belief is power and where magic is as real as the law Watch out for dem Boo Hags and don t let Doctor Buzzard put a spell on you *God's Children* Archibald Rutledge, 2009-03-01 This 1940s memoir provides a glimpse into the life and thoughts of a South Carolina plantation owner in the post Civil War pre Civil Rights era In 1937 after decades in the North Archibald Rutledge returned to what he described as the hyacinth days and camellia nights of his native Carolina Lowcountry to restore his ancestral home Hampton Plantation which had been in his family since 1730 Originally published in 1947 these pages describe in intimate and fascinating detail the plantation life he found upon his return In the simple lyrical language of the first poet laureate of South Carolina Rutledge portrays the black men and women descendants of slaves who labored alongside him in the marshes of the Santee the stories they shared and his interactions with them *God s Children* serves as a vivid snapshot of day to day activity on a plantation in the American South in the first half of the twentieth century and of a lifestyle that was ever so slowly disappearing **Carolina Christmas** Archibald Rutledge, 2012-08-24 A collection of holiday tales poems and recipes celebrating hearth and hunt in the South of yesteryear *Carolina Christmas* collects for the first time holiday stories of Archibald Rutledge 1883 1973 one of the most prolific outdoor and nature writers of the twentieth century and the first poet laureate of South Carolina Some of Rutledge s finest writing revolves around his vivid memories of hunt hearth and holidays These memories are celebrated in this keepsake collection of enduring stories and poems further augmented with traditional recipes and food lore associated with the season Archibald Rutledge spent decades teaching at Mercersburg Academy in Pennsylvania All the while he supplemented his income through his writings in order to support a growing family and restoration efforts at Hampton Plantation his ancestral home in coastal South Carolina now a state historic site Each Christmas Rutledge returned to his cherished Hampton Plantation for hunting celebrations of the season

and renewal of his decidedly Southern soul This annual migration home meant the opportunity to enjoy hunting and communion with nature so vitally important to him and to renew acquaintances with those living on neighboring plantations and with the African American community he immortalized in his book *God's Children* Rutledge wrote dozens of stories and poems revolving around the Hampton Hunt fellowship with family and friends the serenity of the winter woods and his appetite for seasonal Southern foodways Edited by Jim Casada this collection highlights the very best of Rutledge's holiday tales in a vibrant tapestry through which Christmas runs as a bright sparkling thread In these tales of Christmas past each representative of the author's sterling literary reputation and continuing popularity Rutledge guides us once more into a world of traditions now largely lost But to tread those forgotten trails once more to sample and savor the foods he loved and to experience vicariously the sport he so enjoyed is to experience the wonder of yesteryear

**Encyclopedia of African American History, 1619-1895** Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the *Encyclopedia of African American History 1619-1895* documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The *Encyclopedia* covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the *Encyclopedia* offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the *Encyclopedia's* alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the *Encyclopedia* and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work's usefulness
