Hong Kong s oldest Western cemetery garden is located in Happy Valley This history and tour highlights the need for urgent action to conserve the built and natural heritage resources of this important cultural landscape The author challenges the reader to reconsider the basic approach to heritage conservation adopted in Hong Kong where a false dichotomy persists between natural and built heritage conservation initiatives The Hong Kong Cemetery provides an excellent example of a precious cultural landscape which is deteriorating because simplistic approaches to site management have failed to understand and protect the complex interrelationship between the natural flora mid fauna habitats and built monuments and Memorials heritage resources The first three chapters introduce the cemetery garden concept as it evolved in early nineteenth century Europe and was eventually established in Hong Kong by the British The second half of the book provides a self guided tour of the cemetery highlighting its resources as well as explaining the main conservation problems and possible solutions to protect the cemetery The Ghosts of Happy Valley Juliet Barnes,2013-07-04 Happy Valley was the name given to the Wanjohi Valley in the Kenya Highlands where a small community of affluent hedonistic white expatriates settled between the wars While Kenya s early colonial days have been immortalised by farming pioneers like Lord Delamere and Karen Blixen and the pioneering aviator Beryl Markham Happy Valley became infamous under the influence of troubled socialite Lady Idina Sackville whose life was told in Frances Osborne s bestselling The Bolter The era culminated with the notorious murder of the Earl of Erroll in 1941 the investigation of which laid bare the Happy Valley set s decadence and irresponsibility chronicled in another bestseller James Fox s White Mischief But what is left now In a remarkable and indefatigable archaeological quest Juliet Barnes who has lived in Kenya all her life and whose grandparents knew some of the Happy Valley characters has set out to explore Happy Valley to find the former homes and haunts of this extraordinary and transient set of people With the help of a remarkable African guide and further assisted by the memories of elderly former settlers she finds the remains of grand residences tucked away beneath the mountains and speaks to local elders who share first hand memories of these bygone times Nowadays these old homes she discovers have become tumbledown dwellings for
