

# 1893 – the Hawaiian Revolution?

- Outgoing President Benjamin Harrison favors annexation.
- Incoming President Grover Cleveland wants nothing to do with it and orders investigation:
  1. The “revolution” had no popular support.
  2. Entirely orchestrated by business interests.
  3. The Marines and Army acted without authorization from the US government.
- Cleveland ordered the restoration of the monarchy, but no courts martial or punishments
- Congress refused, and voted only to censure the US ambassador to Hawaii

Harrison

Cleveland

# The Hawaiian Revolution 1893-94

**Paul T. Burlin**

## **The Hawaiian Revolution 1893-94:**

**The Hawaiian Revolution (1893-94)** William Adam Russ, 1992      **The Hawaiian Revolution (1893-94)** William A. Russ, 1984-05      **The Hawaiian Kingdom—Volume 3** Ralph S. Kuykendall, 2021-05-25 The colorful history of the Hawaiian Islands since their discovery in 1778 by the great British navigator Captain James Cook falls naturally into three periods. During the first Hawaii was a monarchy ruled by native kings and queens. Then came the perilous transition period when new leaders, after failing to secure annexation to the United States, set up a miniature republic. The third period began in 1898 when Hawaii, by annexation, became American territory. The Hawaiian Kingdom by Ralph S. Kuykendall is the detailed story of the island monarchy. In the first volume, *Foundation and Transformation*, the author gives a brief sketch of old Hawaii before the coming of the Europeans based on the known and accepted accounts of this early period. He then shows how the arrival of sea rovers, traders, soldiers, of fortune, whalers, scoundrels, missionaries, and statesmen transformed the native kingdom and how the foundations of modern Hawaii were laid. In the second volume, *Twenty Critical Years*, the author deals with the middle period of the kingdom's history when Hawaii was trying to insure her independence while world powers maneuvered for dominance in the Pacific. It was an important period with distinct and well-marked characteristics, but the noteworthy changes and advances which occurred have received less attention from students of history than they deserve. Much of the material is taken from manuscript sources and appears in print for the first time in the second volume. The third and final volume of this distinguished trilogy, *The Kalakaua Dynasty*, covers the colorful reign of King Kalakaua, the Merry Monarch, and the brief and tragic rule of his successor, Queen Liliuokalani. This volume is enlivened by such controversial personages as Claus Spreckels, Walter Murray Gibson, and Celso Caesar Moreno. Through it runs the thread of the reciprocity treaty with the United States, its stimulating effect upon the island economy, and the far-reaching consequences of immigration from the Orient to supply plantation labor. The trilogy closes with the events leading to the downfall of the Hawaiian monarchy and the establishment of the Provisional Government in 1893.      **America's New Empire** Richard F. Hamilton, 2017-07-05 In this volume, Hamilton deals with some of the antecedents and the outcome of the Spanish American war, specifically the acquisition of an American empire. It critiques the progressive view of those events, questioning the notion that businessmen and compliant politicians aggressively sought new markets, particularly those of Asia. Hamilton shows that United States exports continued to go predominantly to the major European nations. The progressive tradition has focused on empire, specifically on the Philippines, depicted as a stepping stone to the China market. Hamilton shows that the Asian market remained minuscule in the following decades and that other historical works have neglected the most important change in the nation's trade pattern: the growth of the Canada market, which two decades after the 1898 war became the United States' largest foreign market. The book begins with a review and criticism of the basic assumptions of the progressive framework. These are first that the nation is ruled by big business, political leaders being compliant co-workers. Second, that those

businessmen are zealous profit seekers And third that they are well informed rational decision makers A further underlying assumption is that the economy was not functioning well in the 1890s and that a need for new markets was recognized as an urgent necessity so that big business accordingly demanded world power and empire Each of these assumptions pivotal elements in the dominant progressive tradition in historical writing is challenged with an alternative viewpoint presented Hamilton presents a different more complex view of the events following the Spanish American War The class dominance theory is not supported The alternative argued here elitism proves appropriate and more useful This review and assessment of arguments about American expansion in the 1890s adds much to the literature of the period **Hawaii History**

**1778-1910** John A. Hussey,1962 **Power and Policy** Lawrence Lenz,2008 Through its military policy and foreign policy America attained superpower status in a remarkably short period of time Nations survive based on their ability to provide internal order and external defense Unfortunately foreign policy goals are not always attained and sometimes those goals are based on questionable concepts Power and Policy examines the relationship of the US military and naval power with its foreign policy objectives exploring the policies and the use of force that propelled the United States into the first ranks of world power The book asks when military action is needed and how such action can change the very context within which foreign policy unfolds The study focuses on twelve major decisive events in history during the late 19th and early 20th centuries including a hurricane in Samoa and its effect on the German and US navies the outcomes that followed the Spanish American War the role of Panama in the development of a trans continental powerhouse the US approach to southern neighbors including Nicaragua and Mexico maneuvering for a stronger global position at the conclusion of World War I and the establishment of naval parity with Great Britain The facts background and analysis enable readers to understand interventions that defined and then re defined United States foreign policy for the rest of the 20th century Publisher s description **Native Hawaiians Study Commission** United States. Congress. Senate. Committee on Energy and Natural Resources,1985 **Belligerents, Brinkmanship, and the Big Stick** John M. Dobson,2009-07-14 This encyclopedia offers authoritative coverage of the concepts traditions events and individuals that shaped United States foreign relations from the American Revolution to the present Belligerents Brinkmanship and the Big Stick A Historical Encyclopedia of American Diplomatic Concepts is the first comprehensive encyclopedic work to focus specifically on America s extraordinary history of political engagement with the world With hundreds of alphabetically organized entries and a rich collection of primary sources it offers a unique way of understanding the centrality of diplomacy and the role of foreign relations throughout U S history The encyclopedia is divided into five chronological sections each containing a brief introduction topical entries biographical portraits and representative documents It is designed to help readers gain a deeper understanding of both general ideas as well as specific policies like the Monroe Doctrine the Open Door Policy and Shuttle Diplomacy By examining seminal events important ideas and individual contributions in the context of U S history the encyclopedia reveals the

underlying traditions and motivations of American foreign policy as it has evolved over time

**The History and Immigration of Asian Americans** Franklin Ng, 1998 This volume traces the modern critical and performance history of this play one of Shakespeare's most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory

**Who Owns the Crown Lands of Hawai'i?** Jon M. Van Dyke, 2007-12-31 The 1846 1848 Mahele division transformed the lands of Hawai'i from a shared value into private property but left many issues unresolved Kamehameha III agreed to the Mahele which divided all land among the monarch the ali'i chiefs and the maka'inana commoners in the hopes of keeping the lands in Hawaiian hands even if a foreign power claimed sovereignty over the Islands The king's share was further divided into Government and Crown Lands the latter managed personally by the ruler until a court decision in 1864 and a statute passed in 1865 declared that they could no longer be bought or sold by the monarch and should be maintained intact for future monarchs After the illegal overthrow of the monarchy in 1893 Government and Crown Lands were joined together and after annexation in 1898 they were managed as a public trust by the United States At statehood in 1959 all but 373 720 acres of Government and Crown Lands were transferred to the State of Hawai'i The legal status of Crown Lands remains controversial and misunderstood to this day In this engrossing work Jon Van Dyke describes and analyzes in detail the complex cultural and legal history of Hawai'i's Crown Lands He argues that these lands must be examined as a separate entity and their unique status recognized Government Lands were created to provide for the needs of the general population Crown Lands were part of the personal domain of Kamehameha III and evolved into a resource designed to support the monarch who in turn supported the Native Hawaiian people The question of who owns Hawai'i's Crown Lands today is of singular importance for Native Hawaiians in their quest for recognition and sovereignty and this volume will become a primary resource on a fundamental issue underlying Native Hawaiian birthrights

**History of the Supreme Court of the United States** Owen M. Fiss, 2006

[Historical Dictionary of the Gilded Age](#) T. Adams Upchurch, 2009-04-13 The Gilded Age was an important three decade period in American history It was a time of transition when the United States began to recover from its Civil War and post war rebuilding phase It was as a time of progress in technology and industry of regression in race relations and of stagnation in politics and foreign affairs It was a time when poor southerners began farming for a mere share of the crop rather than for wages when pioneers settled in the harsh land and climate of the Great Plains and when hopeful prospectors set out in search of riches in the gold fields out West The Historical Dictionary of the Gilded Age relates the history of the major events issues people and themes of the American Gilded Age 1869 1899 This period of unprecedented economic growth and technical advancement is chronicled in this reference and includes a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries

**Imperial Maine and Hawai'i** Paul T. Burlin, 2008-03-01 Burlin's book provides an analysis of some of the broad themes and currents of 19th century American expansion in the Pacific through a discussion of a number of Maine

inhabitants either going to Hawai i or other areas of the archipelago Individuals covered include Sanford Dole Luther Secerance John L Stevens and James G Blaine      On the Waves of Empire William D. Riddell,2023-07-18 In the aftermath of the Spanish American War the United States acquisition of an overseas empire compelled the nation to reconsider the boundary between domestic and foreign and between nation and empire William D Riddell looks at the experiences of merchant sailors and labor organizations to illuminate how domestic class conflict influenced America s emerging imperial system Maritime workers crossed ever shifting boundaries that forced them to reckon with the collision of different labor systems and markets Formed into labor organizations like the Sailor s Union of the Pacific and the International Seaman s Union of America they contested the U S s relationship to its empire while capitalists in the shipping industry sought to impose their own ideas Sophisticated and innovative On the Waves of Empire reveals how maritime labor and shipping capital stitched together tore apart and re stitched the seams of empire      **Trauma Counseling** Lisa Lopez Levers,2012-03-15 A worthy addition to a graduate training bookshelf I was a bit daunted by the large almost 600 page book that landed on my desk but once I started reading it I had a hard time putting it down Melanie D Hetzel Riggins PhD Penn State Journal of Trauma and Dissociation This book is heavy in weight and heavy in substance It may be that you will not read this book from cover to cover but it is likely that you will jump in and out and often Illness Crisis and Loss Lisa Lopez Levers s work delivers an important contribution to enable beginning professionals to be familiarised with the basics of trauma and to provide specialists with her hidden gems of insight Her decision to cover trauma in its broadest sense allows her textbook to provide innovative insights into real world concepts such as hate racism oppression and evil in respect to trauma Intervention Trauma Counseling is a comprehensive multidisciplinary guide to the theory and treatment of survivors of a broad spectrum of traumatic events including interpersonal violence hate crimes school violence community violence natural disasters and war and terrorism It is written by a Fulbright scholar who is internationally recognized for her work with traumatized populations in Rwanda several southern African countries Russia and the United States It also includes the contributions of researchers from the United States Australia Africa and Europe The book discusses evidence based trauma assessment and intervention techniques and integrates the latest findings from neuropsychology and psychopharmacology It focuses on issues of loss and grief survivorship and disability genocide natural disasters the impact of war on civilians and veterans and the distinct effects of trauma in early childhood childhood and adolescence Also addressed are ethical perspectives and methods of self care for counselors who work with this population The text will be of value to graduate counseling students and professional counselors as well as social workers psychologists psychiatric nurses and other human service providers who will be able to attend to trauma survivors with a depth of knowledge and confidence The contents of Trauma Counseling not only fulfill but exceed the requirements of The Council of Accreditation and Counseling and Related Educational Program CACREP standards Key Features Addresses the theory and treatment of trauma survivors of

interpersonal violence hate crimes school violence community violence natural disasters and war and terrorism Provides a multidisciplinary approach to treatment that integrates findings from neuropsychology and psychopharmacology Includes evidence based counseling techniques Illuminates the intersections of trauma crisis and disaster issues exceeding related requirements of CACREP standards Examines ethical dimensions and the need for self care among trauma counselors Emphasizes the relevance of clinical supervision in trauma care Offers topic relevant resources at the end of each chapter

**Staking Claim** Judy Rohrer, 2016-05-28 In the heart of the Pacific Ocean Hawai i exists at a global crosscurrent of indigeneity and race homeland and diaspora nation and globalization sovereignty and imperialism In order to better understand how settler colonialism works and thus move decolonization efforts forward Staking Claim analyzes competing claims of identity belonging and political status in Hawai i Author Judy Rohrer brings together an analysis of racial formation and colonization in the islands through a study of legal cases contemporary public discourse local media and literature and Hawai i scholarship Her analysis exposes how racialization works to obscure with the ultimate goal of eliminating native Hawaiian indigeneity homeland nation and sovereignty Staking Claim argues that the dual settler colonial processes of racializing native Hawaiians erasing their indigeneity and indigenizing non Hawaiians enable the staking of non Hawaiian claims to Hawai i It encourages us to think beyond a settler native binary by analyzing the ways racializations of Hawaiians and various non Hawaiian settlers and arrivants bolster settler colonial claims structures and white supremacist ideologies

*Anti-Imperialism in the United States* E. Berkeley Tompkins, 2016-11-11 In the final tumultuous years of the nineteenth century the American government abandoned its traditional role in the field of foreign affairs when it adopted a policy of imperial expansion This drastic change created a lengthy and fascinating if divisive national debate between the imperialists and anti imperialists with charges and counter charges presentations and rebuttals filling the pages of the nation s journals and echoing in the halls of Congress and councils of state This book which emphasizes the anti imperialist position spans the period between the beginning of the debate in 1890 and the demise of the Anti Imperialist League in 1920 It examines in a basically chronological context the interesting issues events ideas and organizations that were a part of American anti imperialism and stresses the thought of the leading anti imperialists in relation to changing incidents and circumstances It is based on a wide range of materials and unexploited sources of the period and provides the first comprehensive treatment of the subject The text as well as contemporary editorial cartoons conveys a vivid sense of the spirit and drama of the times The opponents of imperialism insisted it would yield grave economic social military constitutional ethical and other problems and that it constituted an inherent negation of the finest facets of our governmental heritage They pointed out that the United States had always stood as the champion of liberty democracy equality and self government and that imperialism denied these basic tenets The anti imperialists memorable struggle was long and frustrating but eventually successful Although the author concentrates upon the exciting events and ideas of the period in question the reader will note at many points

intriguing parallels with various aspects of contemporary foreign affairs and the reaction to them **A Rocky Mountain Sailor In Teddy Roosevelt's Navy** Rodney G. Tomlinson, 2019-03-13 An avid reader of naval history since my father's service in World War II I had been struck by the marked contrast between the touching personal depictions of WW II photo journalism and the dearth of portrayals of sailors as persons not just undefined elements of crews Frederick Harrod would observe Enlisted personnel are the forgotten men of naval history 1 As a youngster I witnessed the first two years of World War II by hanging around recruits at the Naval Training Station San Diego California While commissioned a line officer my father proved too old for front line duty so he was assigned to the legal staff as station deputy Provost Marshall a position suited to his civilian profession of lawyer and US commissioner for Santa Barbara and Ventura Counties California The Opinions of Mankind Richard Lentz, Karla K. Gower, 2011-02-14 During the Cold War the Soviets were quick to publicize any incident of racial hostility in the United States Since violence by white Americans against minorities was the perfect foil to America's claim to be defenders of freedom news of these occurrences was exploited to full advantage by the Russians But how did the Soviets gain primary knowledge of race riots in small American towns Certainly the Soviets had reporters stationed stateside in big cities like New York but research reveals that the majority of their information came directly from U S media sources Throughout this period the American press provided the foreign media with information about racially charged events in the United States Such news coverage sometimes put Washington at a disadvantage making it difficult for government officials to assuage foreign reactions to the injustices occurring on U S soil Yet in other instances the domestic press helped to promote favorable opinions abroad by articulating themes of racial progress While still acknowledging racial abuses these press spokesmen asserted that the situation in America was improving Such paradoxical messages both aiding and thwarting the efforts of the U S government are the subject of The Opinions of Mankind Racial Issues Press and Propaganda in the Cold War The study by scholars Richard Lentz and Karla K Gower describes and analyzes the news discourse regarding U S racial issues from 1946 to 1965 The Opinions of Mankind not only delves into the dissemination of race related news to foreign outlets but also explores the impact foreign perceptions of domestic racism had on the U S government and its handling of foreign relations during the period What emerges is an original insightful contribution to Cold War studies While other books examine race and foreign affairs during this period of American history The Opinions of Mankind is the first to approach the subject from the standpoint of press coverage and its impact on world public opinion This exhaustively researched and compellingly written volume will appeal to media scholars political historians and general readers alike By taking a unique approach to the study of this period The Opinions of Mankind presents the workings behind the battles for public opinion that took place between 1946 and 1965 Beyond Primitivism Jacob K. Olupona, 2004-02-24 At a time when local traditions across the world are forcibly colliding with global culture Beyond Primitivism explores the future of indigenous religions as they encounter modernity and globalisation

### The Hawaiian Revolution 189394 Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Hawaiian Revolution 189394 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Hawaiian Revolution 189394 has opened up a world of possibilities. Downloading The Hawaiian Revolution 189394 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Hawaiian Revolution 189394 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Hawaiian Revolution 189394. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Hawaiian Revolution 189394. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Hawaiian Revolution 189394, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Hawaiian Revolution 189394 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About The Hawaiian Revolution 189394 Books**

1. Where can I buy The Hawaiian Revolution 189394 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
