The Serpent of Cos Cos, Island of, Charles Hartley, 1878 *The Hole in the Heart of God* Paul K. Hooker, 2021-06-18 This book is a rendering in poetry of the ancient Christian practice of the Easter Vigil held over the night between Holy Saturday and Easter Sunday Readings from the vigil become the point of departure for poems that reflect on the reading and then short prose ruminations that reflect on themes in the poems The poems and ruminations are deeply informed by both the Christian story of the passion death and resurrection of Jesus and the great tradition of Jewish and Christian mysticism about the creation and redemption of the world Traversing the Heart Richard Kearney, Eileen Rizo-Patron, 2010-07-12 The key wager of Traversing the Heart Journeys of the Inter religious Imagination is that a spiritual imaginary operating at the level of metaphor narrative symbol and epiphany can traverse the borders of dogma and ideology and open genuine conversations between wisdom traditions Like every hermeneutics of the heart this journey begins to unfold in a concrete space and time the interreligious conference at Bangalore in June 2007 While this collection does not claim to cover the religious traditions of all continents its concluding essay on transculturation in Andean Christian art highlights the importance of the North South dialogue as a necessary supplement to the East West one largely addressed in the book As a

The Heart Mender Sally Streib,2006 **The Heart of His Mystery** John Waterfield,2009-10-21 Shakespeare has traditionally been viewed as Queen Elizabeth s poet laureate and as the official mouthpiece of the Elizabethan age But the Elizabethan world was torn apart by the religious divisions initiated by the Reformation and vitiated by the government s merciless persecution of Catholics As it was the victors who wrote the history the English Reformation has been portrayed as a peaceful transition enjoying majority support when in fact it was nothing of the kind Elizabeth s regime was a police state which sanctioned the use of torture where Catholic priests and those who harboured them were liable to summary and bloody execution The persecution of Catholics was continued by James I evoking the violent response of the Gunpowder Plot The Heart of His Mystery examines Shakespeare s life and work against this background There is strong biographical evidence that he was himself a Catholic and a detailed survey of his plays and poems shows that his imagination was intimately bound up with his religious faith When we realise that his human compassion grew from his membership in a persecuted community we can glimpse the mystery he has encrypted in his works and we come closer to understanding the hidden heart of Shakespeare the man **The Heart: The Key to Everything in the Christian Life** Tim Rowe,2016-03-10 We need to recover a truth that has been all but lost in modern day Christianity It has been buried for too long and it is too valuable to be forgotten This life changing truth is that the heart is the key to everything in the Christian life The heart is the wellspring of all our actions emotions motives and character Everything we are everything we say and everything we do flows directly from the heart In *The Heart The Key to Everything in the Christian Life* believers will discover how the heart is central to spiritual growth and how it will help us better reflect the image of Christ in a fallen world The heart is the key to our service and obedience to the Father The heart is the key to the purity and depth of our worship praise and love of God It is time the Christian church once again teaches a proper understanding of the heart so that we can fully embrace and manifest the life of Christ within us **In the Shadows of Genesis: Exploring the Mysterious Heart of the Bible's First Book** Neal Aponte, Ph.D.,2021-05-21 We recognize the names beginning with Adam Eve Cain and Abel Their mythic lives and the commentaries about them are bedrock elements of Western civilization But what if we relinquished the hal lowed ground of perceived wisdom and considered Martin Buber s instruction presented as an epigraph to this book to approach the text as something new letting the words of the Book of Genesis reach us Could we encounter the sacred heart of these mysterious stories as if for the first time **The Serpent's Plumes** Adam W. Coon,2024-05-01 Draws on Nahua

concepts to explore Nahua literary production and contributions to cultural activism from the 1980s to the present The Serpent s Plumes analyzes contemporary Nahua cultural production principally bilingual Nahuatl Spanish xochitlajtoli or poetry written from the 1980s to the present Adam W Coon draws on Nahua perspectives as a decolonizing theoretical framework to argue that Nahua writers deploy unique worldviews namely *ixtlamatilistli* knowledge with the face which highlights the value of personal experiences *yoltlajlamikilistli* knowledge with the heart which underscores the importance of affective intelligence and *tlaixpan* that which is in front which presents the past as lying ahead of a subject rather than behind The views of *ixtlamatilistli* *yoltlajlamikilistli* and *tlaixpan* are key in Nahua struggles and effectively challenge those who attempt to marginalize Native knowledge production
