**Our Only Hope** Margaret B. Adam,2013-08-08 The most popular source of theological hope for American Christians is that of Jurgen Moltmann Preachers teachers and lay people reflect Moltmann s influence with their hope in a this worldly eschatology and a suffering God However an exclusive reliance on that hope deprives the church of crucial resources in the face of global economic environmental and military crises This book explores Moltmannian hope and considers its costs before looking elsewhere for additional contributions from Thomas Aquinas s theological virtue of hope to nihilism and beyond in order to encourage the church to sustain and practice hope in Jesus Christ our only hope

**The Indian Hero and the Old American Man** Joshua Cody,2019-05-16 This is an intriguing coming of age story that centers on friendship and love but also incorporates elements of magical realism and science fiction The setting descriptions are vibrant and the characters are realistic and nicely flawed A thirty seven year old virgin known as the Indian Hero has not consummated his marriage of twelve years To top it off he has a gold digging girlfriend who has not slept with him in five years an employer who owes him a year s salary and a dream to produce his original screenplay But when the Hero s path crosses with that of an elderly American man living in Saudi Arabia everything is about to change After the old American invites the Hero on an eight day vacation to Thailand to heal from his financial and emotional woes the Hero looks forward to the respite away from his challenges in Abu Dhabi and India without any idea that the American s goal is to recruit a go go bar girl to take his virginity Despite the American s warnings to the Hero to not fall in love with the beautiful bar girl in Bangkok he does But will she reciprocate his feelings or leave him a lonely man just like all the other

**Marvelous Myths** Russell W Dalton,2011-04-01 What makes someone a hero In the early 1960 s the image of a superhero was someone with a square jaw a muscular build and a quick smile whose biggest personal problem was trying to keep their girlfriends from guessing their secret identities Then writer Stan Lee and artists Jack Kirby and Steve Ditko created a group of superheroes who revolutionized comics These heroes including The Fantastic Four The Incredible Hulk Spider man The X men Iron Man Captain America and others were not perfect heroes living in a perfect world but fallible people with physical ailments and personal problems like our own While the authors and artists who created them did not intend to write explicitly religious stories their tales of imperfect heroes who try to do the right thing despite the many challenges they face provide us with the opportunity to reflect on our own faith journeys as we strive to live heroic lives in the real world Each chapter reflects on the heroes most famous adventures and discusses the ways in which we are called to overcome many of the same obstacles they face as we strive to carry out the ministries to which God calls us Each chapter ends with questions for reflection or group study **Ordinary Hero** Neil Cole,2011-01-01 Christians today are on a rescue mission Each of us is called to get involved in God s plan to make disciples A former California lifeguard Neil Cole weaves together his personal experiences of saving lives with biblical principles for how to make and multiply disciples Cole shows how to create Life Transformation Groups that can help a Christian grow in a safe and transparent relationship with one or two other spiritual pilgrims Full of heroic and even humorous stories Ordinary Hero captures readers imaginations and hearts and doesn t let go until they want to make a difference and know how to go about doing it **Books in Print**
