**The Hidden Life of Polish Prisons** Paweł Moczydłowski, 1992      **The Hidden Life of Polish Prisons** Paweł Moczydłowski, 1992      **Games Prisoners Play** Marek M. Kaminski, 2018-06-05 On March 11 1985 a van was pulled over in Warsaw for a routine traffic check that turned out to be anything but routine Inside was Marek Kaminski a Warsaw University student who also ran an underground press for Solidarity The police discovered illegal books in the vehicle and in a matter of hours five secret police escorted Kaminski to jail A sociology and mathematics major one day Kaminski was the next a political prisoner trying to adjust to a bizarre and dangerous new world This remarkable book represents his attempts to understand that world As a coping strategy until he won his freedom half a year later by faking serious illness Kaminski took clandestine notes on prison subculture Much later he discovered the key to unlocking that culture game theory Prison first appeared an irrational world of unpredictable violence and arbitrary codes of conduct But as Kaminski shows in riveting detail prisoners to survive and prosper have to master strategic decision making A clever move can shorten a sentence a bad decision can lead to rape beating or social isolation Much of the confusion in interpreting prison behavior he argues arises from a failure to understand that inmates are driven not by pathological emotion but by predictable and rational calculations Kaminski presents unsparing accounts of initiation rituals secret codes caste structures prison sex self injuries and of the humor that makes this brutal world more bearable This is a work of unusual power originality and eloquence with implications for understanding human behavior far beyond the walls of one Polish prison      *Prisons in Crisis* William L. Selke, 1993 Prison officials are in the midst of the biggest prison crisis This book looks at prison life and conditions It reviews ideas and policies both at home and from abroad that can be used to alleviate the crisis if we are able to muster the political courage and public support to put them into effect

**Prisons of the World** Andrew Coyle, 2021-11-04 How do governments and societies use prison to respond to underlying and fundamental social economic and political issues Using data on world imprisonment and numerous international examples from his personal experience Coyle a prison practitioner academic and international expert discusses the failings of prison around the world Acknowledging the influence of external agencies such as the Committee for the Prevention of Torture the Inter American Court of Human Rights and court interventions in the use of solitary confinement he offers some positive pointers for the future and how there might be a better distribution of resources between criminal justice and social justice by an application of the principles of Justice Reinvestment      **International Handbook of Penology and Criminal Justice** Shlomo Giora Shoham, Ori Beck, Martin Kett, 2007-10-08 At the outset of the twenty first century more than 9 million people are held in custody in over 200 countries around the world from the essay Prisons and Jails by Ron King The first comparative study of this increasingly integral social subject International Handbook of Penology and Criminal Justice provides a comprehensive and balanced review      *The Palgrave Handbook of Prison Ethnography* Deborah H. Drake, Rod

Earle, J. Sloan, 2016-01-12 The Palgrave Handbook of Prison Ethnography provides an expansive overview of the challenges presented by qualitative and particularly ethnographic enquiry. The chapters reflect upon the means by which ethnographers aim to gain understanding, make sense of what they learn and the way they represent their finished work. The Handbook offers urgent insights relevant to current trends in the growth of imprisonment worldwide. In an era of mass incarceration, human centric ethnography provides an important counter to quantitative analysis and the audit culture on which prisons are frequently judged. The Handbook is divided into four parts. Part I About Prison Ethnography assesses methodological, theoretical and pragmatic issues related to the use of ethnographic and qualitative enquiry in prisons. Part II Through Prison Ethnography considers the significance of ethnographic insights in terms of wider social or political concerns. Part III Of Prison Ethnography analyses different aspects of the roles ethnographers take and how they negotiate their research settings. Part IV For Prison Ethnography includes contributions that convincingly extend the value of prison ethnography beyond the prison itself. Bringing together contributions by some of the world's leading scholars in criminology and prison studies, this authoritative volume maps out new directions for future research. It will be an indispensable resource for practitioners, students, academics and researchers who use qualitative social research methods to further their understanding of prisons.

**Handbook on Prisons** Yvonne Jewkes, Ben Crewe, Jamie Bennett, 2016-02-23 The second edition of the Handbook on Prisons provides a completely revised and updated collection of essays on a wide range of topics concerning prisons and imprisonment. Bringing together three of the leading prison scholars in the UK as editors, this new volume builds on the success of the first edition and reveals the range and depth of prison scholarship around the world. The Handbook contains chapters written not only by those who have established and developed prison research but also features contributions from ex-prisoners, prison governors and ex-governors, prison inspectors and others who have worked with prisoners in a wide range of professional capacities. This second edition includes several completely new chapters on topics as diverse as prison design, technology in prisons, the high security estate, therapeutic communities, prisons and desistance, supermax and solitary confinement, plus a brand new section on international perspectives. The Handbook aims to convey the reality of imprisonment and to reflect the main issues and debates surrounding prisons and prisoners while also providing novel ways of thinking about familiar penal problems and enhancing our theoretical understanding of imprisonment. The Handbook on Prisons, Second edition, is a key text for students taking courses in prisons, penology, criminal justice, criminology and related subjects and is also an essential reference for academics and practitioners working in the prison service or in related agencies who need up-to-date knowledge of thinking on prisons and imprisonment.

*The Criminals of Lima and Their Worlds* Carlos Aguirre, 2005-01-27 The first major study of prison reform and the prison system in Peru and one of the few social histories of criminals and their world in Latin America.

*The ^A Handbook of Crime and Punishment* Michael Tonry, 2000-11-09 Crime is one of the most significant political issues in contemporary American society. Crime control

statistics and punishment policies are subjects of constant partisan debate while the media presents sensationalized stories of criminal activity and over crowded prisons In the highly politicized arena of crime and justice empirical data and reasoned analysis are often overlook or ignored The Handbook of Crime and Punishment however provides a comprehensive overview of criminal justice criminology and crime control policy thus enabling a fundamental understanding of crime and punishment essential to an informed public Expansive in its coverage the Handbook presents materials on crime and punishment trends as well as timely policy issues The latest research on the demography of crime race gender drug use is included and weighty current problems organized crime white collar crime family violence sex offenders youth gangs drug abuse policy are examined Processes and institutions that deal with accused and convicted criminals and techniques of punishment are also examined While some articles emphasize American research findings and developments others incorporate international research and offer a comparative perspective from other English speaking countries and Western Europe Editor Michael Tonry a leading scholar of criminology introduces the 28 articles in the volume each contributed by an expert in the field Designed for a wide audience The Handbook is encyclopedic in its range and depth of content yet is written in an accessible style The most inclusive and authoritative work on the topic to be found in one volume this book will appeal to those interested in the study of crime and its causes effects trends and institutions those interested in the forms and philosophies of punishment and those interested in crime control

**Comparing Prison Systems** Nigel South, Robert P.

Weiss, 2014-01-02 This book provides in depth original and critical analyses by leading scholars of the penal systems of 16 nations around the world focusing on changes in social structure culture and punishment since 1975 Contributors provide an international and comparative context in which to understand the impact of recent profound economic social and political changes on penal theory and practice

Trauma, Shame, and Secret Making Francis Joseph Harrington, 2017-09-11 Trauma Shame and Secret Making provides a descriptive qualitative inquiry into a family s unsuccessful attempts across generations to repress the memories of an early life trauma Broad in its scope Trauma Shame and Secret Making explores more than one hundred years in the life of a single family offering students and professionals invaluable insight into the consequences of prolonged narrative suppression in the social life of people The book models a converging interdisciplinary approach to inquiry across specializations spanning traumatology family therapy psychology psychiatry and social work The model is consistent with an evolving paradigm of medical public health and social service practice based on biopsychosocial evaluation of all patients

**Engaging with Ethics in International Criminological Research** Michael Adorjan, Rose

Ricciardelli, 2016-06-10 Despite a voluminous literature detailing the procedures of research ethics boards and institutional ethical review processes there are few texts that explore the realpolitik of conducting criminal research in practice This book explores the unique lived experiences of scholars engaging with ethics during their criminological research and focuses on the ethical dilemmas that researchers encounter both in the field and while writing up results for publication Who benefits

from criminological research What are the roles and impacts of ethics review boards How do methodological and theoretical decisions factor in to questions of ethical conduct and research ethics governance This book is divided into four parts Part I Institutional arrangements and positionality explores the ongoing and expanding process of ethics protocol and procedures principles of confidentiality and the positionality of the researcher Part II Trust and research with vulnerable populations examines the complexity of work involving prisoners indigenous peoples and victims of extreme violence power dynamics between researchers and participants and the challenges of informed consent Part III Research on and with police reflects on the importance of transparent relations with police best practices and the consequences of undertaking research in authoritarian contexts Part IV Emerging areas scrutinizes the ethics of carceral tours and suggests possible alternatives and offers one of the first sociological and criminological examinations of dark net cryptomarkets Drawing upon the experiences of international experts this book aims to provoke further reflection on and discussion of ethics in practice This book is ideal for students undertaking courses on research methods in criminology as well as a key resource for criminology researchers around the world

The SAGE Handbook of Criminological Research Methods David Gadd, Susanne Karstedt, Steven F Messner, 2011-10-19 Conducting research into crime and criminal justice carries unique challenges This Handbook focuses on the application of methods to address the core substantive questions that currently motivate contemporary criminological research It maps a canon of methods that are more elaborated than in most other fields of social science and the intellectual terrain of research problems with which criminologists are routinely confronted Drawing on exemplary studies chapters in each section illustrate the techniques qualitative and quantitative that are commonly applied in empirical studies as well as the logic of criminological enquiry Organized into five sections each prefaced by an editorial introduction the Handbook covers Crime and Criminals Contextualizing Crimes in Space and Time Networks Communities and Culture Perceptual Dimensions of Crime Criminal Justice Systems Organizations and Institutions Preventing Crime and Improving Justice Edited by leaders in the field of criminological research and with contributions from internationally renowned experts The SAGE Handbook of Criminological Research Methods is set to become the definitive resource for postgraduates researchers and academics in criminology criminal justice policing law and sociology David Gadd is Professor of Criminology at Manchester University School of Law where he is also Director of the Centre for Criminology and Criminal Justice Susanne Karstedt has a Chair in Criminology and Criminological Justice at the University of Leeds Steven F Messner is Distinguished Teaching Professor of Sociology University at Albany State University of New York

**Papua New Guinea's Last Place** Adam Reed, 2004 What kind of experience is incarceration How should one define its constraints The author who conducted extensive fieldwork in a maximum security jail in Papua New Guinea seeks to address these questions through a vivid and sympathetic account of inmates lives Prison Studies is a growing field of interest for social scientists As one of the first ethnographic studies of a prison outside western societies and Japan this book contributes to a reinterpretation of the field s

scope and assumptions It challenges notions of what is punitive about imprisonment by exploring the creative as well as negative outcomes of detention separation and loss Instead of just coping the prisoners in Papua New Guinea's Last Place find themselves drawing fresh critiques and new approaches to contemporary living

*The Global Encyclopaedia of Informality, Volume 3* Alena Ledeneva, 2024-02-26 For a post human hitchhiker human life with its anxiety ageing illness and constant need for problem solving may look unviable Yet for humans the life struggle is softened by human touch human emotion and human cooperation The Global Encyclopaedia of Informality Volume 3 continues the journey of the two previous volumes into the world's open secrets unwritten rules and hidden practices It focuses on issues of emotional ambivalence and pressures of the digital age The informal practices presented in this volume demonstrate the urgency of alleviating tensions between continuity and all too rapid change and the need to tackle the central problem of modern societies uncertainty The volume takes a reader on a biographical journey through elusive taken for granted or banal ways of getting things done from over 70 countries and world regions It offers innovative understanding of the significance of fringes and challenges the assumption that informality is associated exclusively with poverty underdevelopment the Global South oppressive regimes or the former socialist countries of Eastern Europe and Central Asia It also maps the patterns of informality around the globe identifies specific informal practices in a context sensitive way and documents their ambivalent impact on people engaged in problem solving on societies in which these problems arise and on humanity overall Praise for The Global Encyclopaedia of Informality Volume 3 This book tells a story of human cooperation It is not the narrative you'll find in books teaching you how to solve problems It is an assemblage of something much more endemic fundamentally human and much more pervasive than we tend to think of informality It involves money and power but also the alternative currencies of gaining advantage or gaming the system Bruce Schneier author of *A Hacker's Mind* Alena Ledeneva's latest database of rule bending is a goldmine for documentary makers and storytellers Entries from 70 countries covering a human lifespan from Chinese anchor babies to funeral feasts in Azerbaijan offer remarkable insights into the way the world really works Lucy Ash journalist

*Crafting Ethnographic Fieldwork* Amir B. Marvasti, Jaber F. Gubrium, 2023-04-19 Through a series of case studies this book provides an understanding of the practice of ethnographic fieldwork in a variety of contexts from everyday settings to formal institutions Demonstrating that ethnography is best viewed as a series of site specific challenges it showcases ethnographic fieldwork as ongoing analytic engagement with concrete social worlds From engagements with boxing and nightlife to preschooling and migratory encampments portrayed is a process that is anything but a set of pre packaged challenges and hurdles of simple minded procedural tropes such as entrance rapport and departure Instead ethnography emerges as what it has been from its beginnings a rough and ready analytic matter of seeking understanding in unrecognized and diverse fields of interaction *Crafting Ethnographic Fieldwork* will appeal to scholars and students across the social sciences with interests in the practice of participant observation and related questions of research methodology
