The Letters of Shirley Jackson Shirley Jackson, 2022-07-19 A bewitchingly brilliant collection of never before published letters from the renowned author of The Lottery and The Haunting of Hill House NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS This biography through letters gives an intimate and warm voice to the imagination behind the treasury of uncanny tales that is Shirley Jackson s legacy Joyce Carol Oates Shirley Jackson is one of the most important American authors of the last hundred years and among our greatest chroniclers of the female experience This extraordinary compilation of personal correspondence has all the hallmarks of Jackson s beloved fiction flashes of the uncanny in the domestic sparks of horror in the quotidian and the veins of humor that run through good times and bad i am having a fine time doing a novel with my left hand and a long story with as many levels as grand central station with my right hand stirring chocolate pudding with a spoon held in my teeth and tuning the television with both feet Written over the course of nearly three decades from Jackson s college years to six days before her early death at the age of forty eight these letters become the autobiography Shirley Jackson never wrote As well as being a bestselling author Jackson spent much of her adult life as a

mother of four in Vermont and the landscape here is often the everyday raucous holidays and trips to the dentist overdue taxes and frayed lines of Christmas lights new dogs and new babies But in recounting these events to family friends and colleagues she turns them into remarkable stories entertaining revealing and wise At the same time many of these letters provide fresh insight into the genesis and progress of Jackson's writing over nearly three decades The novel is getting sadder It's always such a strange feeling I know something's going to happen and those poor people in the book don't they just go blithely on their ways Compiled and edited by her elder son Laurence Jackson Hyman in consultation with Jackson scholar Bernice M Murphy and featuring Jackson's own witty line drawings this intimate collection holds the beguiling prism of Shirley Jackson writer and reader mother and daughter neighbor and wife up to the light *The Oxford Companion to American Literature* James David Hart, 1948 *The Concise Oxford Companion to American Literature* James D. The Parthenon Marbles Christopher Hitchens, 2025-02-04 The most powerful case yet made for the return of the Parthenon Marbles The Parthenon Marbles formerly known as the Elgin Marbles designed and executed by Pheidias to adorn the Parthenon are perhaps the greatest of all classical sculptures In 1801 Lord Elgin then ambassador to the Turkish government had chunks of the frieze sawn off and shipped to England where they were subsequently seized by Parliament and sold to the British Museum to help pay off his debts This scandal exacerbated by the inept handling of the sculptures by their self-appointed guardians remains unresolved to this day In his fierce eloquent account of a shameful piece of British imperial history Christopher Hitchens makes the moral artistic legal and political case for re-unifying the Parthenon frieze in Athens The opening of the New Acropolis Museum emphatically trumps the British Museum's long-standing if always questionable objection that there is nowhere in Athens to house the Parthenon Marbles With contributions by Nadine Gordimer and Professor Charalambos Bouras The Parthenon Marbles will surely end all arguments about where these great treasures belong and help bring a two centuries old disgrace to a just conclusion
