Small Comforts:

Give Linda Harper, Ph.D. ,2013-03-13 Daily life continually asks us to make choices about how to give whether it is our attention time energy talents love or even money to others and to ourselves Often we juggle our attempts to meet our own needs and the demands of others So the decisions we make about what when and how much to give strongly impact the quality of our everyday lives These choices can cause us stress turmoil guilt exhaustion and depletion or they can bring us immeasurable joy peace of mind and fulfillment So what is the key to giving that energizes and fulfills us rather than exhausts and depletes us Linda R Harper's simple five step guide will help you rediscover the joy in everyday giving using one question What are my heart's true desires at this very moment Give is not about giving more or giving less It is about giving from your deepest self and trusting the natural wisdom of your heart's desires As you become the giver you were meant to be you will deepen the meaning of your life through soulful ordinary acts of giving both to yourself and to others

Before which is Prefixed a Narrative of His Life and Death William Gouge, 1866 Ordinary Beauty Mary McEvoy, 2014-10-02 Actress and writer Mary McEvoy has struggled with depression for many years trying to reconcile her life in the public eye with private pain Many things have helped Mary to come to terms with her depression the rituals of farming life in Co Westmeath the excitement of the stage the love of friends and family Ultimately Mary has found her way through and it s the little things that have really helped the beauty of the world around her the quiet pleasures of sweeping the yard or cooking a simple meal In Ordinary Beauty Mary celebrates life s seemingly insignificant moments and invests them with fresh beauty and meaning as well as a wry humour Never has living in the moment been so enjoyable or so comforting Sanders, 2023-09-08 As a young girl growing up in a small town in Honduras Keyla Sanders imagined her own version of the American Dream The reality involved dangers suffering and sacrifice during an overland journey through Guatemala and Mexico including arrests deportations and kidnapping For the first time there is a first person account from an undocumented immigrant from the Northern Triangle countries of Central America Keyla tells what inspired her to embark on a dangerous journey what the journey was like and the years of struggle she endured after attempting to navigate the U S immigration system She uses her own experience to demonstrate how this broken system is as reliant on circumstance and luck as any lottery. She recounts the struggle of an undocumented immigrant while also dealing with high school young adulthood and eventually having her own children Keyla's story adds the voice of an undocumented immigrant to the conversation demonstrating that the hardships expended in achieving one's American Dream are what unite all those striving for a better life regardless of where they were born or how they got here Anniversary Discourse, Before the New York Academy of Medicine Ferdinand Campbell Stewart, 1853 Whispers from the Past: 50 Astonishing Reincarnation Stories Robert J Dornan, 2025-02-09 Across cultures and generations countless people have reported memories of lives they could not have possibly lived Whispers from the Past 50 Astonishing Reincarnation Stories explores some of the most chilling and thought provoking cases of past life recall where children and adults alike reveal extraordinary details of people places and events from another time From the astonishing case of Shanti Devi who reunited with a past life family to a young boy who remembered serving as a World War II fighter pilot these real life stories defy explanation and challenge the boundaries
