Designing Commercial Interiors Christine M. Piotrowski, Elizabeth A. Rogers, IIDA, 2010-01-26 The definitive reference on designing commercial interiors expanded and updated for today s facilities Following the success of the ASID Polsky Prize Honorable Mention in 1999 authors Christine Piotrowski and Elizabeth Rogers have extensively revised this guide to planning and designing commercial interiors to help professionals and design students successfully address today s trends and project requirements This comprehensive reference covers the practical and aesthetic issues that distinguish commercial interiors There is new information on sustainable design security and accessibility three areas of increased emphasis in modern interiors An introductory chapter provides an overview of commercial interior design and the challenges and

rewards of working in the field and stresses the importance of understanding the basic purpose and functions of the client's business as a prerequisite to designing interiors. This guide also gives the reader a head start with eight self-contained chapters that provide comprehensive coverage of interior design for specific types of commercial facilities ranging from offices to food and beverage facilities and from retail stores to health care facilities. Each chapter is complete with a historical overview, types of facilities, planning and interior design elements, design applications, a summary, references, and Web sites. New design applications covered include spas in hotels, bed and breakfast inns, coffee shops, gift stores, and salons; courthouses and courtrooms; and golf clubhouses. In keeping with the times, there are new chapters focusing on senior living facilities and on restoration and adaptive use. A chapter on project management has been revised and includes everything from proposals and contracts to scheduling and documentation. Throughout the book, design application discussions, illustrations, and photographs help both professionals and students solve problems and envision and implement distinctive designs for commercial interiors. With information on licensing codes and regulations along with more than 150 photographs and illustrations, this combined resource and instant reference is a must-have for commercial interior design professionals, students, and those studying for the NCIDQ licensing exam. The Hotel World, 1917 *California Coastal Access Guide* California Coastal Commission, 1991-01-01 The California coast from its majestic redwoods and rocky shores to its palm trees and sandy beaches is an area of unsurpassed beauty. The new fifth edition of the California Coastal Access Guide is an essential handbook for anyone exploring the 1,100 miles of one of the world's most diverse and spectacular shorelines. With up-to-date maps and information, this is an indispensable guide for all beachgoers, hikers, campers, swimmers, divers, wheelchair users, joggers, and boaters. Details on where to go, how to get there, and what facilities and type of environment to expect are readily accessible. The handbook also contains articles on a broad range of topics including natural history, marine and coastal wildlife, environmental issues, and sports and recreation.

Weekends for Two in Northern California Bill Gleeson, 2004-12-30 With over 100,000 copies sold, *Weekends for Two in Northern California* has been guiding couples to the region's most romantic hideaways for more than ten years. From cozy cottages along the rugged coast of Big Sur to rustic retreats in the state's northernmost reaches, Bill Gleeson and John Swain have discovered the 50 most ideal spots for relaxing getaways. Fully revised and updated with a wealth of new color photographs, *Weekends for Two* is the only roadmap needed for anyone planning a great escape.

Baja California Adventures Froylan Tiscareño, 2013-05-31 The stories featured in *Baja California Adventures* take place during a span of almost sixty years of travel in the rugged, parched yet hauntingly attractive peninsula. The author kept detailed notes on most of his trips, then fleshed out this skeleton in a narrative that places the reader in the role of participant in the adventure. Thus, one feels the bite of the 4WD tires into the desert sand, newly hard-packed by the moisture of a quick-moving thunderstorm. The author describes the excitement of finding Indian petroglyphs, arrowheads, or clay ollas in remote canyons.

Because Mr Tiscareo is also a pilot many of the trips included here involve mention of the special immigration rules for private fly in tourists Finally there are Baja adventures in the pine clad granite fortress that is the Sierra de San Pedro Martir in the northern part of the peninsula Here the author joined other veteran Bajeros in hoof and boot or horse assisted explorations In short this book should be inspiration to those readers who want to visit Baja California particularly the less tourist trod destinations Armchair travelers will derive vicarious pleasure without the effort of going there themselves
