provided a focus for the activities and the modern circus was born. Once the circus was the most spectacular entertainment many Americans saw. When the supply of cheap labor disappeared and other forms of entertainment became available the giant circuses shrank and in the last quarter of the twentieth century new one ring circuses returned. The Circus and Circus Culture area of the Popular Culture Association has been examining circus history, circus life, the relationship of circus to society and the impact of circus on the visual and literary arts since 1997.
