Smile All The While:

All My Rivers Are Gone Katie Lee, 2023-04-01 David Brower who has always regretted the Sierra Club's failure to save the Glen Canyon called it The Place No One Knew But Katie Lee was among a handful of people who knew the 170 miles of Glen Canyon very well She'd made sixteen trips down the river even named some of the side canyons Glen Canyon and the river that ran through it had changed her life Her descriptions of a magnificent desert oasis and its rich archaeological ruins are a paean to paradise lost In 1963 the US Government's Bureau of Reclamation the Wreck the Nation Bureau Katie calls it shut off the flow of the Colorado River at Glen Canyon Dam beginning the process of flooding this natural treasure Three generations have been born since the dam was built and in a few more decades there may be no one alive who will have known the place Katie Lee didn't forget Glen Canyon and she didn't want anyone else to forget it either She tells us what there was to love about Glen Canyon and why we should miss it The canyon had great personal significance for her She had gone to Hollywood to make her career as an actress and a singer but the river kept calling her back showing her a better way to live She eloquently weaves her personal story into her breathtaking descriptions of the trips she made down the canyon In later years Katie found allies in her struggle to restore the canyon The Glen Canyon Institute has been joined by the Sierra Club in calling for the draining of Lake Powell Rez Foul in Katie's words and the idea is being debated on editorial pages across the country and in congressional hearings *All My Rivers Are Gone* celebrates a great American landscape mourns its loss and challenges us to undo the damage and forever prevent such mindless destruction in the future

In Quest of life
KS Gentleman, 2014 I wish to see my book as a guide for those who are depressed sad woe begone Pessimist arrogant Egotist and stone hearted The theme of my book is multiple i.e. Live in today Simple living high thinking Curtail attachment with materialism Lift your soul above and be attuned with almighty If you have surplus do not hesitate to give some to others who doesn't have We are all created equal and we are all brothers and sisters Live with love with each other Love is God Hate is of the Devil Think yourself as a traveler in this world Life is a short journey Soon it will end and anon you have to go towards unknown there and then without dilly dally Don't live like a slave being caught in by mundane illusionment and fugacious enchantment Live always free of all bondages ties taboos and tinsel snares whatsoever Life is nothing but unending episode of unavoidable vicissitudes From the very beginning to the end it has been followed by sorrows and happiness on slaughters but in fact the outcome of life is mystic absolutely confusion casting During life when we face adversity we cry helplessly like a timid and innocent child but during prosperity we laugh and behave wildly and stupidity and become arrogant and egotist Whichever angle you live or look at life life looks as if the same But we should live or look at life mostly in terms of soul not body I believe if we think life in terms of soul lot of life's foreseen and unforeseen problems be automatically mitigated and vanished And life will become easy to live Life become stressless worryless fearless and troubleless
