Johnstone,2010-04-19 The Mountain Man defends his home against lawless killers in these two Western adventures by the New York Times bestselling author Trail of the Mountain Man When gold is discovered near the little town of No Name Colorado the citizens are overjoyed But soon every gunslick from the Atlantic to the Rockies is beating a path to the gold strike which happens to be right on Smoke Jensen s doorstep Outnumbered a hundred to one Jensen recruits a small army of the frontier s ageing but still lethal legends As these men ride into the violent sunset of their grizzled lives one thing is certain There s going to be a lot of blood spilled before anyone walks away with the gold Revenge of the Mountain Man Smoke Jensen is buying cattle a hundred miles away from his Colorado ranch when he gets devastating news Drawing two

horses from the remuda he rides off and doesn't stop until he reaches his wife's side. She'd been shot three times and lay close to death. Smoke Jensen knows the outlaws who committed this cowardly crime had come for him. And now he's coming for them.

**Trail of the Mountain Man** William W. Johnstone, 2013-06-06 In this western by the bestselling author of *Return of the Mountain Man* legendary gunslingers unite to save a beleaguered mining town. When gold is discovered near the little town of No Name, Colorado, the citizens are overjoyed at their good fortune until trouble gallops down Main Street on a horse straight out of Hell. For gold's closest companions are greed and murder, and every two-bit gunslick from the Atlantic to the Rockies is beating a path to the gold strike, which is practically on the doorstep of Smoke Jensen. They're looking to get rich quick and never mind how it's done. But this legendary mountain man never learned how to back away from a good fight, and this one promises to be a whopper. Outnumbered a hundred to one, he recruits an army of his own, twenty aging but still lethal legends of the frontier. In the violent sunset of their grizzled lives, one thing you can count on: there's going to be a lot of blood spilled before anyone walks away with the gold.

**Brotherhood of Evil** William W. Johnstone, J.A. Johnstone, 2015-10-01 In this western adventure by the bestselling authors of *Massacre Canyon*, a family of vigilantes prescribe painful redemption for an evil doctor. THE GREATEST WESTERN WRITER OF THE 21ST CENTURY In one of the most shocking chapters in the Jensen family saga, America's fearless frontier clan is about to take on an enemy as cold and relentless as evil itself: a mad, sadistic surgeon skilled with knives. He and his gang are gunning for the Jensen Sugarloaf ranch to ravage Jensen women and spill an ocean of Jensen blood. When the Jensen boys decide to take a trip to Smoke Jensen's ranch, leaving Sally Pearle and Cal alone at the Sugarloaf, the family homestead becomes an easy target for enemies, outlaws, and one hell of a hardcase named Jonas Trask. A former army doctor with a degree in cruelty, Trask and his vicious band of followers kidnap Sally Jensen. Now he waits for the Jensen boys to return like lambs to the slaughter. It doesn't take long for Matt Preacher and Smoke to see that they're up against a vicious maniac. One thing is sure: the Jensens will perform the operation with surgical precision, blazing guns and not a shred of mercy.

Dark Night of the Mountain Man William W. Johnstone, J.A. Johnstone, 2023-11-28 The latest action-packed installment in the national bestselling Western authors William W. Johnstone and J.A. Johnstone's long-running Mountain Man historical series, JOHNSTONE COUNTRY HUNT OR BE HUNTED. The bear seems harmless at first. Just a lost and confused grizzly poking around Big Rock. Then the killings begin. A horse wrangler is mangled. A rancher mauled. Then a bartender in the heart of town is found clawed to a bloody pulp. Now every man in Big Rock is taking up arms to hunt down the beast before it strikes again, which worries the local sheriff. He's afraid this amateur hunting party could turn into a mass funeral, real fast. So he asks Smoke Jensen to help keep everyone calm and contain the panic. Unfortunately, it's too late. The panic is out of control, and the hunt is on. While the gun-toting locals head for the hills in search of the bear, a ruthless gang of bank robbers ride into the half-empty town, armed to the teeth. Then a professional wild game hunter shows

up offering to kill the grizzly for a price If that wasn't enough a traveling medicine man claims the bear is part of his act and wouldn't hurt a soul Smoke Jensen isn't sure what to believe or who to trust But one thing is certain Where there are jaws claws and outlaws there will be blood Live Free Read Hard The United Service ,1890 Moonshine Massacre William W.
