South America Stern has written a book at once intensely personal and kaleidoscopically international that weaves the intimate act of a solitary person smoking a cigarette into a broad cultural picture of desire exchange fulfillment and the acts that bind people together either in lasting ways or through ephemeral encounters The Smoking Book is for anyone who has ever smoked or loved a smoker against their better judgment it is for those who have never smoked or for those who mourn the loss of cigarettes as they would grieve for a lost friend But mostly The Smoking Book is for all those who are smoldering still
