Smoldering City Chicagoans And The Great Fire 1871 1874:

Smoldering City Karen Sawislak,1996-12-15 The fateful kick of Mrs O Leary s cow the wild flight before the flames the astonishingly quick rebuilding these are the well known stories of the Great Chicago Fire of 1871 But as much as Chicago s recovery from disaster was a remarkable civic achievement the Great Fire is also the story of a city s people divided and at odds This is the story that Karen Sawislak tells so revealingly in this book In a detailed account drawn on memoirs private correspondences and other documents Sawislak chronicles years of widespread sometimes bitter social and political conflict in the fire s wake from fights over relief soup kitchens to cries against profiteering and marches on city hall by workers burned out of their homes She shows how through the years of rebuilding the people of Chicago struggled to define civic order and the role that good citizens would play within it As they rebuilt she writes Chicagoans confronted hard questions about charity and social welfare work and labor relations morality and the limits of state power Their debates in turn exposed the array of values and interests that different class ethnic and religious groups brought to these public discussions Sawislak combines the copious detail of a historian with the vivid portrayals of a storyteller in her investigation of the infamous Chicago fire Highlighted by historical maps plates and engravings with an epilogue and notes *Smoldering City* presents an extremely thorough and engaging study of this extraordinary disaster Publishers Weekly [The Great Chicago Fire and the Myth of Mrs. O'Leary's Cow](#) Richard F. Bales,2015-09-01 The Great Chicago Fire of 1871 swallowed up more than three square miles in two days leaving thousands homeless and 300 dead Throughout history the fire has been attributed to Mrs O Leary an immigrant Irish milkmaid and her cow On one level the tale of Mrs O Leary s cow is merely the quintessential urban legend But the story also represents a means by which the upper classes of Chicago could blame the fire s chaos on a member of the working poor Although that fire destroyed the official county documents some land tract records were saved Using this and other primary source information Richard F Bales created a scale drawing that reconstructed the O Leary neighborhood Next he turned to the transcripts more than 1 100 handwritten pages from an investigation conducted by the Board of Police and Fire Commissioners which interviewed 50 people over the course of 12 days The board s final report published in the Chicago newspapers on December 12 1871 indicates that commissioners were unable to determine the cause of the fire And yet by analyzing the 50 witnesses testimonies the author concludes that the commissioners could have determined the cause of the fire had they desired to do so Being more concerned with saving their own reputation from post fire reports of incompetence drunkenness and bribery the commissioners failed to press forward for an answer The author has uncovered solid evidence as to what really caused the Great Chicago Fire [Tales of Forgotten Chicago](#) Richard C Lindberg,2020-07-24 Hidden gems from Chicago s past *Tales of Forgotten Chicago* contains twenty one fascinating little known stories about a great city and its people Richard C Lindberg has dug deeply to reveal lost historical events and hidden gems from Chicago s past Spanning the Civil War through the 1960s the volume showcases forgotten crimes punishments

and consequences poisoned soup that nearly killed three hundred leading citizens politicians and business and religious leaders a woman in showbiz and her street thug husband whose checkered lives inspired a 1955 James Cagney movie and the first police woman in Chicago hired as a result of the senseless killing of a young factory girl in a racially tinged case of the 1880s Also included are tales of industry and invention such as America's first automobile race the haunting of a wealthy Gilded Age manufacturer's mansion and the identity of the telephone's rightful inventor Chapters on the history of early city landmarks spotlight the fight to save Lakefront Park and how Lucky Charlie Weeghman's north side baseball park became Wrigley Field Other chapters explore civic cultural and political happenings the great Railroad Fairs of 1948 and 1949 Richard J Daley's revival of the St Patrick's Day parade political disrupter Lar America First Daly and the founding of the Special Olympics in Chicago by Anne Burke and others Finally some are just wonderful tales such as a touching story about the sinking of Chicago's beloved Christmas tree ship Engrossing and imaginative this collection opens new windows into the past of the Windy City

The Environment and the People in American Cities, 1600s-1900s Dorceta E.

Taylor, 2009-11-23 This wide ranging study of urban environmental history draws our attention to environmental challenges faced by American cities over the past four centuries showing how understandings of race class and gender shape discourse on the environment

Eco Culture Robert Bell, Robert Ficociello, 2017-11-15 The edited collection *Eco Culture Disaster Narrative Discourse* opens a conversation about the mediated relationship between culture and ecology The dynamic between these two great forces comes into stark relief when a disaster in its myriad forms and narratives reveals the fragility of our ecological and cultural landscapes Disasters are the clashing of culture and ecology in violent and tragic ways and the results of each clash create profound effects to both So much so in fact that the terms ecology and culture are past separation We are far removed from their prior historical binaric connection and they coincide through a supplementary role to each other Ecology and culture are unified

Empire City David M. Scobey, 2002 For generations New Yorkers have joked about The City's interminable tearing down and building up The city that the whole world watches seems to be endlessly remaking itself When the locals and the rest of the world say New York they mean Manhattan a crowded island of commercial districts and residential neighborhoods skyscrapers and tenements fabulously rich and abjectly poor cheek by jowl Of course it was not always so New York's metamorphosis from compact port to modern metropolis occurred during the mid nineteenth century *Empire City* tells the story of the dreams that inspired the changes in the landscape and the problems that eluded solution Author David Scobey paints a remarkable panorama of New York's uneven development a city building process careening between obsessive calculation and speculative excess Envisioning a new kind of national civilization bourgeois urbanists attempted to make New York the nation's pre eminent city Ultimately they created a mosaic of grand improvements dynamic change and environmental disorder *Empire City* sets the stories of the city's most celebrated landmarks Central Park the Brooklyn Bridge the downtown commercial center within the context of this new ideal of

landscape design and a politics of planned city building Perhaps such an ambitious project for guiding growth overcoming spatial problems and uplifting the public was bound to fail still it grips the imagination City of the Century Donald L. Miller, 2014-04-09 A wonderfully readable account of Chicago's early history and the inspiration behind PBS's American Experience Michiko Kakutani The New York Times Depicting its turbulent beginnings to its current status as one of the world's most dynamic cities City of the Century tells the story of Chicago and the story of America writ small From its many natural disasters including the Great Fire of 1871 and several cholera epidemics to its winner take all politics dynamic business empires breathtaking architecture its diverse cultures and its multitude of writers journalists and artists Chicago's story is violent inspiring passionate and fascinating from the first page to the last The winner of the prestigious Great Lakes Book Award given to the year's most outstanding books highlighting the American heartland City of the Century has received consistent rave reviews since its publication in 1996 and was made into a six hour film airing on PBS's American Experience series Written with energetic prose and exacting detail it brings Chicago's history to vivid life With City of the Century Miller has written what will be judged as the great Chicago history John Barron Chicago Sun Times Brims with life with people surprise and with stories David McCullough Pulitzer Prize winning author of John Adams and Truman An invaluable companion in my journey through Old Chicago Erik Larson New York Times bestselling author of The Devil in the White City

Unpopular Culture Martin Luthe, Sascha Pohlmann, 2025-10-01 This volume introduces a new concept that boldly breaks through the traditional dichotomy of high and low culture while offering a fresh approach to both unpopular culture From the works of David Foster Wallace and Ernest Hemingway to fanfiction and The Simpsons from natural disasters to 9 11 and beyond the essays find the unpopular across media and genres analysing the politics and aesthetics of a side to culture that has been overlooked by previous theories and methods in cultural studies A City for Children Marta Gutman, 2014-09-19 We like to say that our cities have been shaped by creative destruction the vast powers of capitalism to remake cities But Marta Gutman shows that other forces played roles in the late nineteenth and early twentieth centuries as cities responded to industrialization and the onset of modernity Gutman focuses on the use and adaptive reuse of everyday buildings and most tellingly she reveals the determinative roles of women and charitable institutions In Oakland Gutman shows private houses were often adapted for charity work and the betterment of children in the process becoming critical sites for public life and for the development of sustainable social environments Gutman makes a strong argument for the centrality of incremental construction and the power of women run organizations to our understanding of modern cities *John Singer Sargent & Chicago's Gilded Age* Annelise K. Madsen, Mary Broadway, 2018-01-01 An examination of how the work of the American painter John Singer Sargent was displayed collected and influential in the civic and cultural development of Chicago Illinois during the late nineteenth and early twentieth centuries
