Long-term Independent Travel Birgit Phillips, 2019-03-12 Birgit Phillips explores the concept of transformative travel as it pertains to long term independent travelers and offers a broad philosophical understanding of the complex socio cultural processes involved in identity negotiation She examines both the elements that contribute to the transformation of values and identities and the mechanisms by which this transformation occurs By deploying a pluralistic reflexive interpretive research approach Phillips foregrounds the personal experiences of the individual study participants and the meanings they attach to their travel experiences In addition since the study spanned over 14 years the author is able to provide a wide ranging picture of the complete travel experience from initial motivations to post travel reintegration as well as the long term effects on traveler values and identities

Ella Fitzgerald Stuart Nicholson, 2014-07-22 Stuart Nicholson s biography of Ella Fitzgerald is considered a classic in jazz literature Drawing on original documents interviews and new information Nicholson draws a complete picture of Fitzgerald s professional and personal life Fitzgerald rose from being a pop singer with chart novelty hits in the late 30s to become a bandleader and then one of the greatest interpreters of American popular song Along with Billie Holiday she virtually defined the female voice in jazz and countless others followed in her wake and acknowledged her enormous influence Also includes two 8 page inserts

Beautiful Mess Diamond Rio, 2009-09-14 Can a band comprised of six very talented but very different musicians make a difference with their music What made it possible for Diamond Rio to weather the storms inherent in the fickle world of fame and fortune and go more than two decades without a single lineup change Any reader in search of transparency and a behind the scenes look into the life of the band as a unit as well as the individual lives of the players and singers will be well satisfied Can true loyalty exist within the competitive seemingly unforgiving music industry In Beautiful Mess Marty Roe Dan Truman Jimmy Olander Brian Prout Gene Johnson and Dana Williams each has an entire chapter devoted to his personal and professional life The book s tone is a welcome rarity not written from one player s perspective but from all six as they meet in the middle Beautiful Mess is a wild ride from the edge of disaster and a little known secret to an ongoing heart warming revival
