Temoins De Jehovah Face A Hitler:

Jehovah's Witnesses and the Third Reich M. James Penton, 2004-01-01 Using materials from Witness archives the U S State Department Nazi files and other sources M James Penton demonstrates that while many ordinary German Witnesses were brave in their opposition to Nazism their leaders were quite prepared to support the Hitler government from publisher description **Les témoins de Jéhovah face à Hitler** Guy Canonici, 1998 B n ficiant de la tol rance du r gime de la R publique de Weimar il tait in vitable que les T moins de J hovah deviennent suspects au IIIe Reich puis des adversaires r solus dans leur refus de se soumettre l id ologie nazie et plus encore de porter les armes dans une Allemagne bient t remilitaris e et h g monique *Jehovah's Witnesses in Europe* Gerhard Besier, 2016-08-17 The religious association of Jehovah s Witnesses has existed for about 150 years in Europe How Jehovah s Witnesses found their way in these countries has depended upon the way this missionary association was treated by the majority of the non Witness population the government and established churches In this respect the history of Jehovah s Witnesses in Europe is also a history of the social constitution of these countries and their willingness to accept and integrate religious minorities Jehovah s Witnesses faced suppression and persecution not only in dictatorships but also in some democratic states In other countries however they developed in relative freedom How the different situations in the various national societies affected the religious association and what challenges Jehovah s Witnesses had to overcome and still do in part even until our day is the theme of this history volume Teaching about the Holocaust in the 21st Century Jean-Michel Lecomte, Council of Europe. Council for Cultural Co-operation, 2001-01-01 Given the rise of anti-Semitism in parts of Europe the accessibility of denial Internet sites and the isolationist stand taken by certain European political leaders today Holocaust teaching was given an important place in Council of Europe s history project Although some countries have high standards for Holocaust teaching others are lacking in material This teaching resource is based on the work of such widely recognised authors as Raul Hilberg Sir Martin Gilbert Saul Friedlander and Christopher Browning plus first hand accounts including those of Primo Levi Hermann Langbein and Claude Lanzmann s interviewees It offers teachers a body of knowledge for use in course planning and brings to the forefront facts and figures on victims often overlooked Roma Gypsies homosexuals Jehovah s Witnesses What emerges from the succinct descriptions of how and where this genocide was carried out is the comprehensiveness of the Nazi enterprise Against the Draft Peter Brock, 2006-01-01 Around the world and for hundreds of years men and women have refused to be drafted into bearing arms for their nations wars These conscientious objectors to the draft are the subject of Peter Brock s latest collection *Against the Draft* Brock the world s leading historian on pacifism has assembled twenty five of his essays on conscientious objection to the draft from the beginning of the Radical Reformation in 1525 to the end of the Second World War Included in the collection are essays on little known facets of the anti draft movement including the Anabaptist Mennonite tradition of military exemption that started with the outset of the Radical Reformation in 1525 and has continued

with variations until the present Further articles deal with the Quakers in a number of countries Civil war America Leo Tolstoy who became a convinced pacifist in the later part of his life British conscientious objectors in the Non Combatant Corps the emergence of conscientious objection in Japan and the fate of conscientious objectors in the psychiatric clinics of Germany and in interwar Poland Essays on the Central European Nazerenes and on Jehovah s Witnesses in Nazi Germany highlight the exceptionally harsh treatment meted out to conscientious objectors belonging to these two sects and their steadfast resistance to the state s demand to bear arms Against the Draft makes an important contribution to the growing study of pacifism and conscientious objection and represents a key work in the career of the field s foremost scholar

circumstances Arnold Schwarzenegger governor of California WHEN LEOPOLD ENGLEITNER WAS NINE YEARS OLD an event of historical significance for the world that initiated the First World War took place in his hometown Moreover although Leopold Engleitner and his contemporary Adolf Hitler who was sixteen years his senior grew up in the same province Upper Austria and shared the same cultural background and educational system the convictions and attitudes they developed were diametrically opposed Whereas Adolf Hitler caused untold suffering to millions as a merciless mass murderer Leopold Engleitner devoted his life to peace refusing to buckle even in the face of death The ordinary farmhand found the extraordinary courage to follow his conscience He refused to serve in Hitler s army and did not even use the Nazi greeting Heil Hitler Suffering unspeakable cruelty in three concentration camps he grew so thin that he weighed less than sixty two pounds Yet nothing and no one could break his will Astoundingly he could easily have had his freedom all he had to do was sign a paper renouncing his religious convictions as one of Jehovah s Witnesses but he steadfastly refused And he never lost his optimism In the concentration camp he even bought a suitcase for the journey home it seemed impossible he would ever make His unshakable faith in God helped Engleitner to lead a full and happy life despite constant rejection and he never lost his zest for life as he became the oldest and one of the best known male concentration camp survivors in the world His unexpected rehabilitation was achieved thanks to an extraordinary friendship Though already far advanced in years he travelled more than ninety five thousand miles across Europe and the USA between 1999 and 2012 testifying as a witness of history to ensure the past is not forgotten as such he became a model of tolerance and peace Letters written by Engleitner during his internment and believed lost for nearly sixty years were discovered and their combination with original minutes of police and court proceedings reports from the concentration camps and personal accounts of traumatic childhood incidents from one hundred years ago constitutes an impressive firsthand history Unbroken Will Bernhard Rammerstorfer,2009 Although Engleitner and Adolf Hitler grew up in the same province in Austria and shared the same cultural background and education system the convictions and attitudes they developed were diametrically opposed Whereas Hitler caused untold suffering to millions as a merciless mass murderer Engleitner devoted his life to peace refusing to buckle even in the face of death Why would a man facing imprisonment and unspeakable suffering in a Nazi concentration camp chose not to sign a document giving him his freedom Instead he submitted to Nazi persecution enduring imprisonment in Buchenwald Niederhagen and Ravensbruck concentration camps rather than renouncing his faith as one of Jehovah s Witnesses *The Lamb and the Fuhrer* Ravi Zacharias,2009-10-27 A hypothetical conversation between Jesus Christ and Adolf Hitler two men who are polar opposites in character of good and evil respectively **Hitler, God, & the Bible** Ray Comfort,2023-10 *Hitler, the Holocaust, and the Bible* Joe Keysor,2009-04 There has been a growing trend among secularists to label Hitler as a Christian and therefore attribute the atrocities of the second world war to the Christian religion Joe Keysor examines the true sources of Nazi ideology and contrasts the Nazis behavior with the Biblical record Joe Keysor s well reasoned well

researched and comprehensive defense of the Christian faith against these challenges is a useful tool for scholars pastors and educators who are interested in the truth Hitler and Christianity is a necessity in one s apologetics library and secularists skeptics and atheists will be obliged to respond
