

**“The beginning of wisdom is found in the temper of reverence and awe. The fear of the finite in the presence of the Infinite, of the sinful in the presence of the Holy... this for the Israelite was the starting-point of all true wisdom” – Albert Barnes**

### **The Holy Word for Morning Revival - Experiencing, Enjoying, and Expressing Christ (2), Vol. 3** Witness

Lee, Watchman Nee, 2025-03-04 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word. At the same time it provides a limited review of the semiannual training held December 23-28, 2024 in Anaheim, California, on Experiencing, Enjoying, and Expressing Christ 2. Through intimate contact with the Lord in His word, the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ.

Coping with Your Anger Andrew D. Lester, 1983-01-01 Argues that Christians should not suppress their anger but learn to deal with it and examines what the scriptures say about anger. *Discourses Upon the Existence and Attributes of God* Stephen Charnock, 1856

**The Existence and Attributes of God Vol. 1** Stephen Charnock, 2023-12-01 The Existence and Attributes of God is a significant theological book written in the 17th century by Stephen Charnock, a Puritan preacher and theologian. This edition of The Existence and Attributes of God Vol. 1 is both current and legible with an eye-catching new cover and professionally typeset manuscript. Some stories are gruesome and bizarre while others softly creep up on you and pull you in. This massive dissertation is divided into two parts with each volume delving into essential aspects of God's nature and qualities. In the first volume, Charnock conducts a thorough analysis of God's existence. To establish the existence of an all-powerful, everlasting, and transcendent Creator, he digs into philosophical arguments, historical viewpoints, and scripture allusions. The thorough examination of Charnock addresses problems about the origin of the universe and the requirement of a divine person. Throughout the book, Charnock's language is distinguished by a great reverence for God and a commitment to logical religion investigation. He provides theological arguments in a systematic and logical manner that is understandable to both intellectuals and laypeople.

**Lessons for the Christian's Daily Walk** George Mylne, 2020-03-10 Lessons for the Christian's Daily Walk: Devotional and Practical

Meditations on the Book of Ecclesiastes. George Mylne, 1859. Editor's note: This is the best devotional commentary on the book of Ecclesiastes that we have ever come across. In each verse, which he comments on, George Mylne first views the verse just as Solomon intended from the perspective of mere human wisdom. That is, the book of Ecclesiastes is simply God's record of the rational conclusions of the wisest and most experienced man who ever lived. In other words, Solomon seriously thought upon all of life, the world, and everything in it and concluded that all are puzzling enigmas: emptiness, vanity, meaningless, purposeless, futile, hopeless, vexatious, unsatisfying, unjust, etc., etc. Secondly, Mylne then views each verse from the Christian perspective, that is, through the lens of the cross of Jesus. From this perspective, all the enigmas are solved; all the meaninglessness and futility of life is removed, and all the injustices are rectified. Only through the cross does life become meaningful, purposeful, and satisfying.

*The Existence and Attributes of God* Stephen Charnock, 2022-11-13 In The Existence and Attributes of God, Stephen Charnock presents a profound exploration of theological concepts that intertwine

rigorous philosophical reasoning with rich Biblical exegesis Set against the backdrop of the 17th century a time of burgeoning Reformation thought Charnock's work employs a systematic approach meticulously dissecting the nature of God through the lens of His existence and inherent attributes His eloquent prose and logical structure resonate with the intellectual currents of his time skillfully addressing the needs of a society grappling with faith amidst skepticism The text is characterized by its persuasive arguments and detailed analysis making it a significant contribution to Reformed theology and apologetics Stephen Charnock was a prominent Puritan theologian whose deep commitment to scriptural truth and the pursuit of holiness profoundly influenced his writings Born in England in 1620 he navigated a tumultuous period of political and religious upheaval which likely shaped his desire to offer theological clarity amidst uncertainty Charnock's pastoral background and scholarly rigor culminate in this magnum opus where his passion for God's glory is palpable on every page This book is essential for anyone seeking to deepen their understanding of God's nature and attributes offering both spiritual enrichment and intellectual challenge Charnock's thorough investigations invite readers into a richer relationship with the divine making it an invaluable resource for students of theology clergy and laypersons alike who desire a robust engagement with the essence of God

**Morning and Evening Meditations from the Word of God** Michael J. Akers, 2014-03-18

There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God

**The Existence and Attributes of God (Vol. 1&2)** Stephen Charnock, 2020-04-10 The Existence and Attributes of God in 2 volumes is a series of discourses and lectures delivered by the great Stephen Charnock to the members of his congregation at Crosby Hall Charnock discusses in a logical flow of thoughts the existence of God and the untenability of maintaining an atheistic worldview Unfortunately however the Discourses were cut short by Charnock's death in 1680

**Zondervan NIV Matthew Henry Commentary** Matthew Henry, 2010-09-21 Time has sealed the reputation of Matthew Henry's classic commentary as a rich source of insight into God's word Four centuries after its first publication it remains one of the best loved most popular commentaries ever written However while its wisdom is timeless the English language has changed much through the years Words that meant one thing in Matthew Henry's day have taken on different meanings today In addition Henry's often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers The Zondervan NIV Matthew Henry Commentary is a masterful response to these

concerns It delivers the heart and soul of Henry s incomparable writings in a style that is easy to read and understand Dr Leslie Church s meticulous abridgment retains the essential content of the original work Easily misunderstood words have been replaced with modern ones while keeping Henry s style Use of the New International Version NIV instead of the King James Version makes this edition fully compatible with today s most widely used Bible translation In one volume here is a wealth of exposition metaphors analogies and illustrations ideal for Personal devotions Bible study Sermon and lesson preparation     The Use of Human Reason in Religion Gilbert Nelson,1741
