Encyclopedia of African Religion Molefi Kete Asante, Ama Mazama, 2008-11-26 Numerous titles focusing on particular beliefs in Africa exist including Marcel Griaule's *Conversations with Ogotemmeli* but this one presents an unparalleled exploration of a multitude of cultures and experiences It is both a gateway to deeper exploration and a penetrating resource on its own This is bound to become the definitive scholarly resource on African religions Library Journal Starred Review Overall because of its singular focus reliability and scope this encyclopedia will prove invaluable where there is considerable interest in Africa or in different religious traditions Library Journal As the first comprehensive work to assemble ideas concepts discourses and extensive essays in this vital area the *Encyclopedia of African Religion* explores such topics as deities and divinities the nature of humanity the end of life the conquest of fear and the quest for attainment of harmony with nature and other humans Editors Molefi Kete Asante and Ama Mazama include nearly 500 entries that seek to rediscover the original beauty and majesty of African religion Features Offers the best representation to date of the African response to the sacred Helps readers grasp the enormity of Africa's contribution to religious ideas by presenting richly textured concepts of spirituality ritual and initiation while simultaneously advancing new theological categories cosmological narratives and ways to conceptualize ethical behavior Provides readers with new metaphors figures of speech modes of reasoning etymologies analogies and cosmogonies Reveals the complexity texture and rhythms of the African religious tradition to provide scholars with a baseline for future works The *Encyclopedia of African Religion* is intended for undergraduate and graduate students in fields such as Religion Africana Studies Sociology and Philosophy

The Theory of Categorical Conversion Dompere, Kofi Kissi, 2017-09-17 The *Theory of Categorical Conversion* is advanced by Professor Kofi Kissi Dompere as mathematical philosophical and game theoretic foundations to solve the problem of socio natural transformation as governed by some internal process in relation to Marx Schumpeter and Nkrumah Dompere's methodology is based on the Africentric principles of opposites made up of actual potential polarity negative positive duality with relational continuum and unity under cost benefit rationality and Asantrofi Anoma principle supported by fuzzy paradigm of thought Socio natural transformations are seen in terms of game theories in a fuzzy stochastic space admitting of defective deceptive information structures in quality quantity space within the subjective objective duality The main premise of the monograph is that there exists a set of necessary and sufficient conditions for internal self transformation The necessary conditions are made up of categorical moments and categorical transfer functions forming the domain of control instrumentation in creating the sufficient conditions for categorical conversion processes Dompere presents an important methodological framework for the study and construction of the theories of socioeconomic development and political change as well as info dynamics connecting knowledge sciences innovation and engineering to the space of knowing under qualitative quantitative

transformational dynamics with defective deceptive information structures in the games for power and dominance by duals and poles in conflicts The necessary conditions of socio natural transformation are internally derived based on the relational structure of matter energy information activities within the dynamics of qualitative dispositions of dualities of actual potential polarities The theory consists of category formation showing ontological epistemological categories and categorial dynamics shows elemental conversions of categorial varieties in a continuum The logical tools and the paradigm of thought for the theoretical development of Nkrumah s framework involve self excitement self correction and self control systems induced by internal contradictions The set of necessary conditions constitutes the natural necessity that constrains cognitive freedom in socio natural transformations Had this conceptual system been familiar to economists and social scientists the construct of the theories of socioeconomic development and transformations would have been increasingly successful

Indigenous Cultural Heritage and Intellectual Property Rights Jessica Christine Lai,2014-01-08 Now more than ever indigenous peoples interests in their cultural heritage are in the spotlight Yet there is very little literature that comprehensively discusses how existing laws can and cannot be used to address indigenous peoples interests This book assesses how intangible aspects of indigenous cultural heritage and the tangible objects that hold them can be protected within the realm of a broad range of existing legal orders including intellectual property and related rights consumer protection law common law and equitable doctrines and human rights It does so by focusing on the New Zealand M ori The book also looks to the future analysing the long awaited Wai 262 report released in New Zealand by the Waitangi Tribunal in response to allegations that the government had failed in its duty to ensure that the M ori retain chieftainship over their tangible and intangible treasures as required by the Treaty of Waitangi signed between the M ori and the British Crown in 1840

The Kingdom of Speech Tom Wolfe,2024-09-24 The legendary reporter and author of The Right Stuff takes on Darwin Chomsky and the origin of language in his boldest bit of dueling yet The New York Times Tom Wolfe the great journalist provocateur aims his piercing wit at the presiding theories of what makes us human The Kingdom of Speech is a captivating paradigm shifting argument that speech not evolution is responsible for humanity s complex societies and achievements From Alfred Russel Wallace the Englishman who beat Darwin to the theory of natural selection but later renounced it and through the controversial work of modern day anthropologist Daniel Everett who defies the current wisdom that language is hard wired in humans Wolfe examines the solemn long faced laugh out loud zig zags of Darwinism old and Neo and finds it irrelevant here in the Kingdom of Speech

Human Behavior in the Social Environment from an African American Perspective Letha A See,2013-04-03 In Human Behavior in the Social Environment from an African American Perspective leading black scholars come together to discuss complex human behavior problems faced by African Americans and to force the abandonment of conceptualization theories made without consideration of the Black experience Challenging you to engage in different thinking and develop new theories for addressing the needs of African Americans this book highlights the assets of black

individuals families and communities and guides you through program interventions and public policies that strengthen and empower African Americans You will learn to enhance your clients coping strategies and resilience by factoring in their strengths rather than focusing on their weaknesses Human Behavior in the Social Environment from an African American Perspective contextualizes community behavior patterns gender roles and changing contemporary identities to challenge your assumptions about African American culture and communities and convince you to rethink your intervention strategies and methods To further help you fine tune your service delivery this book leads you through discussions on help seeking behaviors of young street males the association of sociocultural risk factors with suicides the use of emotive behavior therapy to help African Americans cope with the prospect of imminent death advocating for changes in institutions and systems which negatively impact the lives of the poor and the oppressed how social work has ignored one segment of the African American community young girls in urban settings psychological consequences of coming of age in a hostile environment Social workers community based groups policymakers and other helping professionals owe it to their clients to shrug off culturally incompetent services and care Using Human Behavior in the Social Environment from an African American Perspective as a guide you will learn to redress your programs and policies with a sensitivity to the factors and mechanisms that maximize the buoyancy of disadvantaged groups over various stages of their life development

Critical Dimensions of African Studies Jennifer L. De Maio, Suzanne Scheld, Tom Spencer-Walters, 2023-09-12 This book brings together top researchers thinkers and activists from across disciplines to reflect on the study of Africa Critical Dimensions of African Studies Re Membering Africa emphasizes a critique of power structures the promotion of human liberation a commitment to social justice and transformation and critical reflection on the politics of the production and circulation of knowledge of Africa The editors Jennifer De Maio Suzanne Scheld and Tom Spencer Walters organize the book around three related key themes international transnational humanistic and combined critical theory and practice perspectives They argue that each theme represents an important dimension of contemporary African and African diaspora studies and re centering these themes within the discipline will help to advance the field The diverse contributors capture the goal and method for re membering Africa by reflecting and defining the field from various disciplines in order to consider the history the critical debates and the challenges to current views of the status and future direction of African studies

Liberatory Practices for Learning Julio Cammarota, 2020-12-18 This book promotes collaborative ways of knowing and group accountability in learning processes to counteract the damaging effects of neoliberal individualism prevalent in educational systems today These neoliberalist hierarchies imposed through traditional autocratic knowledge systems have driven much of the United States educational policies and reforms including STEM high stakes testing individual based accountability hierarchical grading systems and ability grouping tracks The net effect of such policies and reforms is an education system that perpetuates social inequalities linked with race class gender and sexuality Instead the author suggests that accountability

pushes past individualism in education by highlighting democratic methods to produce a collective good as opposed to a narrow personal success In this democratic model participants contribute to the common goal of elevating the entire group Drawing from a well of creative praxes reflexivity and spiritual engagement contributors incorporate collective dreaming to envision alternate realities of learning and schooling and summon the spirit into action for change *Racism and African American Mental Health* Janée M. Steele, 2024-09-05 *Racism and African American Mental Health* examines the psychological impacts of racism within the African American community and offers a culturally adapted model of cognitive behavior therapy for more culturally relevant case conceptualization and treatment planning with this population Readers of this text will gain a greater understanding of how manifestations of racism contribute to the development of psychological distress among African Americans and learn specific strategies to address the negative automatic thoughts and maladaptive beliefs that develop in response to racism Reflection questions and guided practice are incorporated throughout the text to assist readers with application of the strategies discussed in their own clinical settings *Myth, Ritual, and Visible Expressions of Obàtálá and Olókun in Ilé-Ife`* Oluwafunmini Wasiu Raheem, Ayowole S. Elugbaju, 2024-10-29 In *Myth Ritual and Visible Expressions of Obàtálá and Olókun in Ilé-Ife`* Oluwafunmini Wasiu Raheem and Ayowole S. Elugbaju explore Obàtálá the Yoruba deity of creation and Olókun the preeminent owner of the ocean existence in myth history and religion through various facets of pan human worship belief and everyday ritual practices Raheem and Elugbaju explore Yoruba history culture and religion to provide an extensive analysis of core themes in Obàtálá and Olókun's stories They argue for a more complex reading of Obàtálá beyond the often sustained and single narrative of struggle and defeat as well as a more nuanced reading of Olókun as a holy well beyond its popular exemplification of a female deity of wealth childbirth and preeminent owner of the world's ocean Drawing from oral accounts chants folk songs praise poems and verses from the Ife corpus the authors provide new insights into the worlds of both deities hitherto missing in the literature **The History of Africa** Molefi Kete Asante, 2014-10-10 There is a paradox about Africa it remains a subject that attracts considerable attention yet rarely is there a full appreciation of its complexity African historiography has typically consisted of writing Africa for Europe instead of writing Africa for itself as itself from its own perspectives *The History of Africa* redresses this by letting the perspectives of Africans themselves take center stage Authoritative and comprehensive this book provides a wide ranging history of Africa from earliest prehistory to the present day using the cultural social political and economic lenses of Africa as instruments to illuminate the ordinary lives of Africans The result is a fresh survey that includes a wealth of indigenous ideas African concepts and traditional outlooks that have escaped the writing of African history in the West The new edition includes information on the Arab Spring the rise of FrancAfrica the presence of the Chinese in Africa and the birth of South Sudan The chapters go up to the present day addressing US President Barack Obama's policies toward Africa A new companion website provides students and scholars of Africa with access to a wealth of supporting resources for each chapter including

images video and audio clips and links to sites for further research This straightforward illustrated and factual text allows the reader to access the major developments personalities and events on the African continent This groundbreaking survey is an indispensable guide to African history
