Temporary Address Reno:

Reno's Big Gamble Alicia Barber, 2023-05-19 When Pittsburgh socialite Laura Corey rolled into Reno Nevada in 1905 for a six month stay her goal was a divorce from the president of U S Steel Her visit also provided a provocative glimpse into the city's future With its rugged landscape and rough edged culture Reno had little to offer early twentieth century visitors besides the gambling and prostitution that had remained unregulated since Nevada's silver mining heyday But the possibility of easy divorce attracted national media attention East Coast notables and Hollywood stars and soon the Reno Cure was all the rage Almost overnight Reno was on the map Alicia Barber traces the transformation of Reno's reputation from backward railroad town to the nationally known Sin Central as Garrison Keillor observed a place where you could see things that you wouldn't want to see in your own hometown Chronicling the city's changing fortunes from the days of the Comstock Lode she describes how city leaders came to embrace an identity as The Biggest Little City in the World and transform their town into a lively tourist mecca Focusing on the evolution of urban reputation Barber carefully distinguishes between the image that a city's promoters hope to manufacture and the impression that outsiders actually have Interweaving aspects of urban identity she shows how sense of place promoted image and civic reputation intermingled and influenced each other and how they in turn shaped the urban environment Quickie divorces notwithstanding Reno's primary growth engine was gambling modern casinos came to dominate the downtown landscape When mainstream America balked Reno countered by advertising tax freedom and natural splendor to attract new residents But by the mid seventies unchecked growth and competition from Las Vegas had initiated a downslide that persisted until a carefully crafted series of special events and the rise of recreational tourism began to attract new breeds of tourists Barber's engaging story portrays Reno as more than a second string Las Vegas having pioneered most of the attractions gaming and prizefighting divorces and weddings that made the larger city famous As Reno continues to remold itself to weather the shifting winds of tourism and growth Barber's book provides a cautionary tale for other cities hoping to ride the latest consumer trends

Down in the Dumps Jani Scandura, 2008-05-07 A cultural studies account of America during the 1930s as seen through Key West Harlem Hollywood and Reno

On the move Aitor Ibarrola-Armendariz, Jon Ortiz de Urbina Arruabarrena, 2016-07-29 This volume brings together a selection of the papers and round tables delivered at the 39th AEDEAN Conference held at the University of Deusto in November 2015 The essays in *On the Move* Glancing Backwards to Build a Future in English Studies often begin with typically academic gestures such as retrieving a classic text and finding new ways of studying its genre or characterization or remarking how certain ungrammatical constructions have gone frequently unnoticed even in well known texts for various reasons or entangling oneself in contentions about the adequacy of dissecting a literary text or linguistic problem by using innovative analytical tools In all cases though there is the intention of putting forth certain views and notions that will help future scholars to deal in a better light with the dilemmas regularly encountered in literary linguistic and cultural studies The book opens with three

essays by professors Bartholomae Pullum and Ro who demonstrate not only their mastery in their respective subjects but also their ability to tailor their contents to multifarious audiences The next two sections represent the main body of the e book with nearly forty contributions on both literature and cultural studies Part II and language and linguistics Part III These short academic pieces are a representative showcase of the research being done lately in the different areas of expertise The last section of the volume gathers together the results of four research projects dealing with such engaging topics as postcolonial crime fiction or forgotten texts by Anglo writers about the Spanish Civil War It is hard to think of any potential reader schooled in English Studies who will not find something suitable to their interests and tastes in this volume Nor Shall Diamond Die: american studies Carme Manuel, Paul S. Derrick, 2003 Homenaje a Javier Coy catedr tico jubilado del Departamento de Filolog a Inglesa y Alemana de la Universitat de Val ncia de 1990 a 2000 y uno de los primeros investigadores en introducir los estudios norteamericanos Se recogen 50 art culos de especialistas en este campo que reflejan el estado de los estudios sobre la cultura y literatura de los Estados Unidos contempor neos **Regionalism and the Humanities** Timothy R. Mahoney, Wendy J. Katz, 2008-12-01 Although the framework of regionalist studies may seem to be crumbling under the weight of increasing globalization this collection of seventeen essays makes clear that cultivating regionalism lies at the center of the humanist endeavor With interdisciplinary contributions from poets and fiction writers literary historians musicologists and historians of architecture agriculture and women this volume implements some of the most innovative and intriguing approaches to the history and value of regionalism as a category for investigation in the humanities In the volume s inaugural essay Annie Proulx discusses landscapes in American fiction comments on how she constructs characters and interprets current literary trends Edward Watts offers a theory of region that argues for comparisons of the United States to other former colonies of Great Britain including New Zealand Australia and Canada Whether considering a writer s connection to region or the idea of place in exploring what is meant by regionalism these essays uncover an enduring and evolving concept Although the approaches and disciplines vary all are framed within the fundamental premise of the humanities the search to understand what it means to be human **Bulletin of the American Institute of Mining Engineers** ,1911 **Mining and Metallurgy** ,1912 *Biennial Report* Nevada State Historical Society,1917 **The Living Church** ,1946 *Reno's Riverwalk District* Courtney Rhiana, Christopher Ryan Meredith, 2013 During the mid 1800s Charles Fuller established the first bridge to cross the Truckee River in Reno Shortly after settlers took residence built a vibrant community and called the banks of the Truckee River home From the booming Comstock Lode and the expansion of the Transcontinental Railroad Reno was a town of growth By the mid 1900s Reno showcased some of the state s most historic structures and had become known as the divorce capital of the country The area of Reno now recognized as the Riverwalk District faced reckless floods storms and devastating fires and yet its rich history and culture has prevailed for more than 98 years **Feminist Collections** University of Wisconsin System.
