Gospeller ,1877 *So Many Lions, So Few Daniels* Ray Comfort,2023-03-14 Discover how to live fearlessly for Christ Like Daniel in Babylon Christians today are exiles in a hostile culture Every day we face the lions the easier road of moral compromise the lure of earthly wealth and influence the temptation to give in to our fears or our apathy Yet we are called to obey God rather than man and we need courage to do it Award winning apologist Ray Comfort wants to help you develop the fortitude to look into the mouths of lions without flinching trusting that God not only will bring you to the other side of the trial but is refining you through it This encouraging and practical book draws on inspiring stories from Scripture to help you identify the lions you face and build a strategy for combatting them recognizing that nothing catches God off guard and reminding you that by His power you have victory over the darkness For any believer who sometimes feels beaten down burned out or ready to give in this book offers a spiritual shot in the arm *Where Angels Fear to Tread* E.M. Forster,1920

The Earthbound Parent Richard A. Conn, Jr.,Robyn E. Blumner,2018-05-01 Richard A Conn Jr demonstrates why all parents who value science and reason can help stop the centuries old practice of religious indoctrination and offers advice on how to encourage children to discover the world and their place in it for themselves Only by teaching them that we are in this world together and have a limited time to live can we truly enable them to flourish and build a peaceful world not just for their generation but for the future The Ten Benjamin W. Schenk,2013-04-30 Hell s demons are starting to escape from the underworld and it is up to The Ten to stop them The Ten are ten men that are the Guardian Angels of man kind Their descendants find out that they are now part of this army as well Each family of The Ten has their own special weapons to face the demons with and now they have to train their families on how to use them The Ten take their families to their castles in the clouds called Tenasia the Cloud Kingdoms From this venue they will fight against the demons on both Tenasia Cloud Kingdoms and Earth itself The demons goal is to take six females to Hell Now those demons are targeting the daughters of The Ten The Ten not only have to battle the Circle of Evil but now they have to keep their daughters from being taken to Hell by the demons The battle has just become personal in the battle of The Ten Cloud Kingdoms *The Faust and the Femme Fatale* David J. Lythberg,2010-10-13 An allegory against the pompous legalistic Christian A parable against the Mega Church Two races of people the Fausts and the Christians One is black clad cursed to wear the color that matches their hearts The other are white wearers clothed in God s Glorious White Christland where every street avenue home and business are as white as snow Faustland where everything is as ebony as night Two half breeds one with Christian blood though clearly a black clad Faust The other a Christian with Faust blood running through her veins Together they defy all which they d been taught to believe **Financial Miracles and the New Financial Nature** Douglas C. Matthew McMahon,2022-03-16 Is there a good reason to study the doctrine of God Knowing God or not knowing God has eternal consequences to it The Savior came to explain the Father John 1 18 and he said that eternal life is knowing God and knowing Jesus Christ whom God sent John 17 3 Such a knowledge must include something more than a mere knowledge of facts It must show a relationship of those facts one to another and how they relate as a whole to the life of the believer Such a study must show what the spiritual benefits are to the redeemed which then turns to the spiritual experience they have as they grow in Christ This volume deals with the application of the knowledge of God and how the doctrine of God should be a practical every day consideration in the life of the redeemed believer McMahon covers all the revealed Biblical attributes and perfections of God which also include some not generally considered He covers that God is incomprehensible Trinitarian glorious a pure spirit self sufficient simple unified impassible immutable infinite omnipresent eternal invisible omniscient all wise light truth free holy good faithful love gracious merciful longsuffering sovereign omnipotent righteous just wrathful jealous and eminently beautiful He ends with a concluding chapter on how the Christian should always be rejoicing in God s majesty Gerry's OLD CROCK OF GOLD POEMS.
