Nativity

The birth of Jesus Christ is celebrated on December 25th. According to the Bible, Mary and Joseph traveled to Bethlehem for a census. Mary gave birth to Jesus in a stable, and he was wrapped in swaddling clothes and laid in a manger. The event was witnessed by shepherds and wise men.

Baptism

Jesus was baptized by John the Baptist in the Jordan River. This event marked the beginning of Jesus' public ministry. John testified that Jesus was the Son of God and the Messiah.

Transfiguration

The Transfiguration of Jesus occurred when he took Peter, James, and John to a high mountain. Jesus was glorified, and his face shone like the sun. He was joined by Moses and Elijah, and a voice from heaven declared him to be the Son of God.

*The Word Became Flesh* Graham Jackman, 2016-12-16 The title of this book taken from John 1:14 is normally taken to refer to the notion of incarnation which understands the word as a pre-existent Son of God and becoming flesh as the transformation of this word from a heavenly divine existence to the life of a human being Against this conventional interpretation the author argues that John's use of the term word really does refer to an act of speaking God's expression of His will and that becoming flesh describes the realisation or embodiment of His intentions from creation onward in a form perceptible to human senses not only in the flesh of Jesus but also in historical reality in the world of men This has implications for other aspects of John's Gospel including its historicity its literary form and its relationship to the Old Testament and leads to very different conclusions about the central issue in John's Gospel the person of Jesus and his relationship to God the Father and to those who believe in him

**Uniqueness of the Concept of Witness in Lukan Writings within the Biblical Canon** Ervin Budiselić, 2024-04-30 In an age of relativism tolerance and political correctness the church is called to walk in the footsteps of Christ As his witnesses we must reject all forms of coercion and violence while simultaneously refusing to shy away from the authority and conviction that come from carrying his revelation Dr Ervin Budiseli examines the concept of witnessing in the writings of Luke contextualizing it within the larger framework of Scripture s emphasis on revelation and testimony Like Judaism Christianity is a religion of revelation where specific content must be preserved passed on and proclaimed to others Dr Budiseli explores the communal nature of this calling as well as its pneumatological implications within Luke s writings Acknowledging the tendency within the Western church to emphasize moral transformation over physical he reminds readers that Jesus s kingdom ministry was accompanied by deeds as well as words He specifically engages the dangers of normalizing a gospel disconnected from the supernatural or the miraculous as partnership with the Holy Spirit was central to the calling given to the early church This book offers a prophetic message for the church today as it seeks to fulfill its calling to faithfully witness to the revelation of Christ [NLT Life Application Study Bible, Third Edition, Personal Size](#)
