Fundamental Differences Cynthia Burack, Jyl J. Josephson, 2004-09-01 Fundamental Differences brings together lucid interdisciplinary critiques of social conservative politics and ideas in the areas of welfare family and school policy gender representation and conservative doctrine The distinguished group of authors responds directly to New Right political discourse identifying key ambiguities ideological convictions and methodological problems LOST and PROFOUND Mark McKirdy, 2015-03-03 LOST and PROFOUND The Rejected Book Reviews by Famous People is a unique and hilarious collection of unpublished book reviews seemingly written by household names who have reached the top in film television journalism science music sport art business politics and literature Included among the reviewers are George W Bush David Letterman Madonna Gore Vidal Shirley MacLaine Arnold Palmer Elton John Gloria Steinem David Suzuki Walter Cronkite Salvatore Sammy the Bull Gravano Jimmy Swaggart and Monica Lewinsky All the books reviewed are real and the astonishing diversity of interests of the celebrities demonstrates that shallow perception can never be disguised as deep thought no matter how cleverly expressed As revealed in the book s Introduction Mark McKirdy acquired this collection when he successfully bid for a small dusty box at a Sotheby s auction in 2013 Upon his return to Oxford University where he was the anthropologist in residence he opened the box and like Howard Carter marveling at the treasures he d just unearthed from Tutankhamun s tomb in 1922 the author was holding a golden collection of book reviews by many of the world s most significant people Each review had apparently been commissioned by the prestigious literary journal The London Review of Books and each for reasons never revealed received a soul crushing rebuff by way of a large red Rejected stamp As with all well written satire LOST and PROFOUND will give readers pause for thought seconds for chuckling minutes of laughing out loud and hours of fun and if the celebrities mentioned in the book didn t actually write the reviews cited they probably wish they had Misframing Men Michael Kimmel, 2010-05-20 This past decade has witnessed an extraordinary transformation in men s lives For years wave after wave of the women s movement a movement that reshaped every aspect of American life produced nary a ripple among men But suddenly men are in the spotlight Yet the public discussions often seem strained silly and sometimes flat out wrong The spotlight itself seems to obscure as much as it illuminates Old tired clichés about men s resistance to romantic commitment or reluctance to be led to the marriage altar seem perennially recyclable in advice books and on TV talk shows but these days the laughter feels more forced the defensiveness more pronounced Pop biologists avoid careful confrontation with serious scientific research in their quest to find anatomical or evolutionary bases for promiscuity or porn addiction hoping that by fiat one can pronounce that boys will be boys and render it more than a flaccid tautology And political pundits wring their hands about the feminization of American manhood as if gender equality has neutered these formerly proud studs Misframing Men a collection of Michael Kimmel s commentaries on contemporary debates about masculinity argues that the media have largely misframed this debate Kimmel among the world s best known scholars in gender studies discusses political moments such as the Virginia Military Institute and Citadel cases that reached the

Supreme Court he participated as expert witness for the Justice Department along with Promise Keepers rallies mythopoetic gatherings and white supremacists He takes on antifeminists as the real male bashers questions the unsubstantiated assertions that men suffer from domestic violence to the same degree as women and examines the claims made by those who want to rescue boys from the misandrous reforms initiated by feminism In writings both solidly grounded and forcefully argued Kimmel pushes the boundaries of today s modern conversation about men and masculinity **Stop Whining, Start Living** Dr. Laura Schlessinger, Laura Schlessinger, 2008-03-11 Dr Laura Schlessinger agrees that there are things worth whining about A certain amount of whining allows for some venting of reasonable pain disappointment fear frustration or frank rage However staying stuck in whining mode can become a life long problem This is where Dr Laura steps in with Stop Whining Start Living to help folks conquer the temptation to retreat from living life to the fullest As she reveals in her introduction No matter what you ve suffered or continue to suffer while you are alive you have the opportunity to get something from this life and I m going to do my best to help you with that I know of what I speak as this has been my torturous journey also Building on the principles developed during her long career as a licensed marriage and family therapist and addressing the chronic struggles of so many of her listeners and readers Dr Laura issues an important message in the no nonsense but compassionate voice that is her trademark If you don t like your life quit talking about your unhappiness and try to fix it no matter how difficult or impossible your situation seems While it is healthy to vent occasionally endless rumination on the negative only keeps you paralyzed in misery reinforces hopelessness and demoralizes those around you who feel helpless to bring any happiness into your life Instead Stop Whining Start Living encourages whiners to reject negative thoughts emotions and attitudes shift perspective open up to gratitude and goodness and embrace obligations to loved ones and the world in general Before long just doing what you re supposed to be doing instead of moaning about why you can t or won t or shouldn t fulfill your responsibilities will have you feeling better about yourself and will uplift your interactions with family friends colleagues and even complete strangers in incredible ways Illustrated by calls and letters from members of Dr Laura s huge international audience Stop Whining Start Living features brave testimonials from real human beings facing real challenges These folks have benefited enormously from Dr Laura s powerful lessons Stop Whining Start Living gives readers stuck in their suffering the jump start they need to break out of reactive mode and get proactive moving in the direction of a joyful meaningful happy fulfilling and purposeful future Everyone can use a kick in the pants sometimes and Dr Laura who preaches teaches and nags to millions every day on her radio program is here to deliver it
