Ten Tales to Make Your Head Explode Craig Rondinone, 2004-01-28 Think Think as hard as you can Think so hard you can feel the veins swelling in your neck Think so hard your cheeks turn red Think so hard your head starts to tremble Think so hard your temples begin to burn Think so hard you feel lightheaded Think so hard you can no longer hear anything around you Now think like this until your head explodes Inside are ten stories that run the fictional gamut ranging dangerously between comedy and tragedy science fiction and heavy drama romance and action horror and humor reality and fantasy But although each tale is very different in its own right a common thread connects them all They make you think From Rick Winston and Shelby Winslow and their battles against vampires to Bobby Sutton and his battle to stay alive the stories and characters will make you think and think hard Maybe enough to make your head explode **Evening Street Review**
