## **Ten Ways To Win Her Man:**

**Ten Ways To Win Her Man** Beverly Bird,2014-05-15 She was the hotshot CEO of a multimillion dollar company But when it came to Maxwell Padgett Danielle Harrington was lost Though he was too arrogant he was also too darn hot to let get away What she needed to win this man was a plan Maxwell Padgett had never been so irritated or so aroused in all his life Every time he turned around the vulnerable beauty who was messing up all his plans was plying him with home cooked meals and soul stealing kisses Why if he didn t know Dani Harrington better he might have believed she had more than business on her mind Was it possible Maxwell had miscalculated the real power of this mesmerizing millionairess **All the Way** Beverly Bird,2011-01-17 Daredevil Hunter Hawk Cole had a restless spirit and a thirst for adventure that had always ruled his life He hadn t planned to stop for anything or anyone until he came face to face with the daughter he had never known about Liv Slade was a woman who valued home and hearth and family things Hunter hadn t been able to provide Now the only man she d ever loved was back in her life demanding his daughter But once he got what he wanted would this footloose father head out on the road once more Or would the fiery passion he shared with Liv convince him to stay

Playing by the Rules Beverly Bird,2025-02-11 RULE 1 POSITIVELY NO FALLING IN LOVE ALLOWED Sam Case had a killer smile and a laid back charm that had women swooning at his feet and crying their hearts out over his playboy ways Suave on the outside but vulnerable on the inside Sam wanted out of the dating game But as a single mom I Mandy Hillman had given up on Mr Right until my smooth talking neighbor Sam proposed something more than friendship I agreed to his no strings attached affair and my best friend became my lover But then I ruined everything when I broke the rules and fell in love with Sam Suddenly anything less than happily ever after felt like losing And I always play to win **Working Overtime** Raye Morgan,2010-09-28 As the devoted single mother of two rambunctious boys and as the best darn paralegal in town Chareen Wolf knew all about hard work But she d never before had a job so demanding that she and her boss actually had to live together day after day night after night Trouble was her new boss had her heartbeat working overtime too Michael Greco was devastatingly handsome irresistibly charming and clearly determined to keep her with him long after business hours Yet despite their combustible chemistry the hard driving executive hadn t exactly scheduled marriage or kids into his future However now that she d finally found the man of her dreams Chareen wasn t about to throw in the towel Could they land the deal of a lifetime together **When Lights Went Out . . .** Judy Christenberry,2014-05-15 To Jen Lauren Julia Maggie From Sharon Date 10 01 RE Due Date 7 months Remember my dream man The one I met when trapped in the elevator Well he s back and he s our new client The moment I heard his voice I knew Jack Waterton was the man I d who d Well the man from the elevator For weeks I ve been thinking of his strong arms and the kindness of his touch And now we re working together But I don t know if he remembers me yet or knows I have a very special reminder of our night together **Born to be a Dad** Martha Shields,2014-06-15 YOU CAN COUNT ON ME Rick McNeal whispered to the injured woman I promise I ll care

for your son as if he were my own No harm will come to him Rick leaned closer and touched Kate s hand gently You have my word I believe you Rick jumped not knowing where the sound had come from And then he turned back to the lovely vulnerable woman sleeping so soundly Could it be true No it wasn t possible Unless      **A Girl, a Guy and a Lullaby** Debrah Morris,2014-06-15 With swollen feet and a protruding belly Ryanne Rieger hardly expected to capture the attention of her hometown s hunkiest cowboy But Tom Hunnicutt didn t seem the least bit fazed that her return was solely due to her impending single motherhood Why on earth was he hanging around Darned if Tom could get Ryanne off his mind There was something incredibly annoying and inexplicably appealing about a headstrong chatterbox who seemed to fear nothing With his glorious rodeo days history and his future uncertain the last thing Tom needed was to fall for Ryanne and her unborn child But down he went cradle and all      **Risking It All** Beverly Bird,2010-10-01 This was the case that could make or break Grace Simkanian s career as a defense attorney but her client Aidan McKenna wasn t making it easy for her The charming cop enjoyed provoking and challenging her inspiring emotions that were anything but professional Grace was determined to win this case but would she lose her heart in the process Framed for extortion and set on proving his innocence Aidan was forced to depend on the sleek sophisticated Grace to help him find out who was behind the frame up His lady lawyer was pure temptation and he yearned to set her cool demeanor on fire But would putting his trust in Grace ultimately be Aidan s downfall      **Ten Ways to Destroy the Imagination of Your Child** Anthony Esolen,2023-07-18 Play dates soccer practice day care political correctness drudgery without facts television video games constant supervision endless distractions these and other insidious trends in child rearing and education are now the hallmarks of childhood As author Anthony Esolen demonstrates in this elegantly written often wickedly funny book almost everything we are doing to children now constricts their imaginations usually to serve the ulterior motives of the constrictors Ten Ways to Destroy the Imagination of Your Child takes square aim at these accelerating trends in a bitingly witty style reminiscent of C S Lewis while offering parents and children hopeful alternatives Esolen shows how imagination is snuffed out at practically every turn in the rearing of children almost exclusively indoors in the flattening of love to sex education and sex education to prurience and hygiene in the loss of traditional childhood games in the refusal to allow children to organize themselves into teams in the effacing of the glorious differences between the sexes in the dismissal of the power of memory which creates the worst of all possible worlds in school drudgery without even the merit of imparting facts in the strict separation of the child s world from the adult s and in the denial of the transcendent which places a low ceiling on the child s developing spirit and mind But Esolen doesn t stop at pointing out the problem he offers clear solutions as well With charming stories from his own boyhood and an assist from the master authors and thinkers of the Western tradition Ten Ways to Destroy the Imagination of Your Child is a welcome respite from the overwhelming banality of contemporary culture Interwoven throughout this indispensable guide to child rearing is a rich tapestry of the literature music art and thought that once enriched the lives of

American children Ten Ways to Destroy the Imagination of Your Child confronts contemporary trends in parenting and schooling by reclaiming lost traditions This practical insightful book is essential reading for any parent who cares about the paltry thing that childhood has become and who wants to give a child something beyond the dull drone of today s culture
