The money comes in once a month by plane untraceable bills totaling millions of dollars And these men are going to steal it The Lufthansa Heist was one of the most audacious and profitable crimes ever committed on U S soil It has been immortalized in movies like Goodfellas and The Big Heist The New York crime families contributed brains and muscle and on December 11 1978 these men stole almost ten million dollars Then the bodies started piling up Doug Feiden weaves this spellbinding tale of the crime and its bloody aftermath where the FBI started to piece together what had happened where paranoia make the risk greater than the reward and where witnesses were soon silenced for good      **The Taking of New York City** Andrew Rausch,2024-11-05 For a time in the 1970s New York City seemed to many to be genuinely on the cusp of collapse Plagued by rampant crime graft catastrophic finances and crumbling infrastructure it served as a symbol for the plight of American cities after the convulsions of the 1960s This tale of urban blight was reinforced wherever one looked whether in the news media memorably captured in the infamous New York Daily News headline Ford to City Drop Dead or the countless movies that evoked the era s uniquely gritty sense of dread The Taking of New York City is a history of both New York and some of the decade s most definitive films including The French Connection 1971 the first two Godfather movies 1972 1974 Taxi Driver 1976 Serpico 1973 Dog Day Afternoon 1975 and many more It was also an era in which the city wrestled with the racial tensions still threatening the tear the nation apart never more so than in Blaxploitation classics such as Shaft 1971 and Super Fly 1972 These films depicted the city that never sleeps as a grim violent place overridden with muggers pimps and killers Projected at drive ins and inside their local movie houses rural America saw New York as a nightmare a vile dystopia where the innocent couldn t rely on the local law enforcement who were seemingly all on the take If one took Hollywood s word for it the only way a person was able to find justice in 1970s New York City was by grabbing a gun and meting it out themselves Author Andrew Rausch meticulously separates fact and fiction in this illuminating book Attentive to the ways that New York s problems were exaggerated or misrepresented it also gives an unvarnished look at just how bad things could get in the Rotten Apple and how movies told that story to the country and the world      Cops and Robbers John Townsend,2006 Discover the risks robbers will take to steal money and how police use dogs to sniff out criminals      *Checkered Past* Abby Gaines,2009-04-01 NASCAR team owner Chad Matheson is most comfortable when he s in control But his control took a time out during a few days in Las Vegas and he impulsively wed hotel heiress Brianna Hudson The marriage lasted only one night though before they both had second thoughts Two years later Brianna holds the keys to a much needed sponsorship for Chad s team and Chad is determined to keep things between them strictly business But he knows he s fighting a losing battle Because where Brianna is concerned the atmosphere is anything but professional And the last thing he needs is anyone finding out that legally they re still Mr and Mrs      Video Movie Guide 2002 Mick
