**Ten Sending Churches** ed GRIFFITHS,1985      Ten Sending Churches Michael Griffiths,1985      *Planting Churches in Muslim Cities* Gregory Livingstone,1993-02-01 A biblically and culturally appropriate blueprint for church planting in Muslim cities anywhere in the world The experiences of one hundred missionaries provide a guide to evangelizing and discipling

*Foundations for Fruitful Church Planting* Ken L. Davis,2023-07-28 Church planting is one of the most challenging yet rewarding adventures you can embark on Often zealous planters and their teams launch their new church prematurely without taking time to lay a firm foundation for long term fruitful ministry Failure to do so often results in a weakened new church or even the new church closing after a few years Rather than focusing on methodology the how to s of church planting this book gives attention to six foundational concerns wise planters will need to nail down before they ever plant Biblical foundations Theological foundations Ecclesiological foundations Missiological foundations Spiritual foundations Practical foundations Although helpful for a wide range of planting leaders this book is particularly written for four specific groups those who feel called to plant and are making preparations their planting teammates and launch leaders those exploring church planting those who coach and train church planters *Foundations for Fruitful Church Planting* serves as a comprehensive resource that will guide you to think strategically plan carefully and prepare thoroughly to birth a healthy growing and reproducing congregation Each chapter includes recommended resources discussion questions and follow through exercises

**Evangelism through the Local Church** Michael Green,2023-09-28 A comprehensive guide to practical evangelism its biblical basis theological backbone and current practice Michael Green draws from a lifetime s experience in this seminal work on the theory and practice of evangelism Green shows how the good news of Christ is communicated most effectively through the local church This comprehensive resource includes a primer on Christian apologetics and concrete suggestions for congregations and individuals sharing the gospel Green challenges the hang ups which so often accompany the very mention of evangelism His classic work will continue to inspire new generations of evangelists      *Planting Churches Cross-Culturally* David J. Hesselgrave,2000-05-01 A practical approach to church planting that uses cultural and experiential data to facilitate the founding of new churches in unreached areas of the world

**ThirdWay** ,1988-05 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      The British Millennial Harbinger ,1861      Sent to Flourish Len Tang,Charles E. Cotherman,2019-10-22 How can church planters and their congregations flourish for the long haul Written by a diverse team of scholar practitioners and filled with real world insights stories and questions for reflection and discussion this guide gives church planters and their teams the tools to be theologically reflective spiritually grounded and missionally agile      **The Home and Foreign Record of the Free Church of Scotland** ,1857      **The Intellectual repository for the New Church. **Missionaries, Mental Health, and Accountability** Jonathan J. Bonk,Nelson J. Jennings,Kim Jinbong,2020-03-09 Hope and Help in Member Care Culture shock Marital strife Depression Addictions Disillusionment Organization and team tensions Family trauma Medical issues This is not what you signed up for when you pursued missions Field workers cross linguistic cultural and ministry boundaries but they still experience the same mental health challenges as everyone else and often more When the missionary unit includes a spouse and children the complexities multiply as each person undergoes stressors Needing psychological or psychiatric help too often leads to burnout or worse It s time to let go of the stigma and embrace mental health Missionaries Mental Health and Accountability opens with stories of scriptural saints who also struggled and still made profound impacts for the kingdom Then global contributors comprised of an equal balance of Korean and Western writers reach into the complexity of missionary mental health with the added component of accountability in church and agency support systems Specifically four important areas of missionary mental health are considered 1 disillusion discouragement and depression 2 relational dynamics and tensions 3 contributing factors in missionary psychological duress and 4 resources and organizational structures that address missionary mental health Every chapter demonstrates courage personal conviction and judicious honesty Significant insights provided through case studies surveys and personal reflections will offer action steps for increasing mental health awareness and developing mental health best practices for individuals and teams Written for field workers and those who support them Missionaries Mental Health and Accountability is a critical resource in member care      **Mapping Church Missions** Sharon R. Hoover,2018-09-25 Sharon Hoover brings her years of experience in local church missions to bear on thorny questions every church faces Should we prioritize evangelism or works of service Local ministries or overseas missions And what about short term missions trips Hoover approaches each question with nuance helping us plot our church s unique course as we seek to serve Christ s kingdom      **Gaining By Losing** J.D. Greear,2015-07-28 People are leaving the church J D Greear pastors Big givers Key volunteers Some of his best leaders and friends And that s exactly how he wants it to be When Jesus gave his disciples the Great Commission he revealed that the key for reaching the world with the gospel is found in sending not gathering Though many churches focus time and energy on attracting people and counting numbers the real mission of the church isn t how many people you can gather It s about training up disciples and then sending them out The true measure of success for a church should be its sending capacity not its seating capacity But there is a cost to this To see ministry multiply we must release the seeds God has placed in our hands And to do that we must ask ourselves whether we are concerned more with building our kingdom or God s In Gaining By Losing J D Greear unpacks ten plumb lines that you can use to reorient your church s priorities around God s mission to reach a lost world The good news is that you don t need to choose between gathering or sending Effective churches can and must do both      **My Journey to Life!** Dr. Sabelo Sam Gasela Mhlana,2021-06-24 The book is about his own life and he

narrates the history of his family the obstacles he encountered and how he overcame life challenges The book gives the glimpse of how life can be changed with the help of God and other people whom God places on the way to complete the puzzle as God orders it There are low episodes and high episodes in his memoir that can inspire those people who desire to face challenges with boldness and be triumphant in all odds This book will inspire and encourage you to keep on moving to achieve what you aspire in life to make this world a better world **Herald of Gospel Liberty** Elias Smith, 1903 **Annual Report - United**

**Church Board for World Ministries** United Church Board for World Ministries, 1834 Vols for 1970 include Calendar of prayer with directory of missionaries formerly called pt 3 The "Inscrutably Chinese" Church Nathan Faries, 2010-09-23

The first half of the twenty first century promises to be a time of great change for the Christian church in the People's Republic of China The situation is complex and fluid and the information gap between those on the inside and those outside of China is still significant though shrinking The *Inscrutably Chinese Church* moves readers nearer to the Chinese Christian experience as Nathan Faries helps foreign readers to see with greater clarity just how Chinese Christians view their government and themselves in relation to those ruling powers There still exists a measure of inscrutability about China and its complex relationship with religion that must be explained to the outsider It is this gap in understanding between insider points of view within China and those outsiders seeking knowledge about the Christian faith in China that Faries seeks to close *Nicholas Bhekinkosi Hepworth Bhengu's lasting legacy* Dan S.B. Lephoko, 2018-12-01 This is a scholarly book that

commemorates the legacy of Rev Nicholas Bhekinkosi Hepworth Bhengu who was born on 05 September 1909 at eNtumeni KwaZulu Natal South Africa He was the founder of the Back to God Crusade in the 1950s that has become institutionalised within the Assemblies of God He taught his church to be self sustaining and also encouraged material independence through hard work He died on 07 October 1985 at Groote Schuur Hospital in Cape Town Western Cape South Africa leaving many people in Africa influenced by his rich legacy as an evangelist pastor teacher and church planter to this day Bhengu combined evangelism with development which was critical for the black people who were under a repressive regime in South Africa and in sub Saharan Africa He was a religious revolutionary who planted more than 2000 churches in South Africa and neighbouring countries by emphasising non denominationalism without pressurising converts to discard their churches and join others He was determined to build a movement that would be a vehicle to reach out to the continent of Africa through his churches The book aims at providing academics and researchers with reference material of interactions between spirituality church dynamics socio economic development and political environment Its contribution to existing research with regard to the formative growth of Christianity in Africa is significant and innovative The book's target audience includes academics in the religious fields of missiology church history and contextual theology specifically researchers with intent to write scientific commentaries on the life history of Bhengu
