

Tennessee Williams A Bibliography

Xiaolong Qi

Tennessee Williams A Bibliography:

Tennessee Williams Drewrey Wayne Gunn, 1991-11 More than an updating and expansion of materials this new edition is so different from the first as to constitute virtually a new book completely recast so as to bring all information about a particular work by Williams its often complicated publication history productions with reviews and criticism including dissertations Separate sections list recordings paintings biographies and interviews manuscripts available at 19 institutions and translations into 36 languages Arranged alphabetically throughout with cross references and three indexes the bibliography is much easier for both the novice and the experienced scholar to use The data in the 1980 edition have been retained but more than a third of the information is new including primary and secondary publications appearing through early 1991 Over 40 new works by Williams and as many new productions appear including two foreign films largely unknown to scholars an opera and a ballet Also new are some 24 early works published under the name Thomas Lanier Williams a number of publications productions and ballets from the 1950s and many more reviews of early plays and films Premieres of all his full length plays as well as his first production at college are now accounted for **Tennessee Williams** George W. Crandell, 1995 **Tennessee Williams, a Bibliography** Andreas Brown, 1966 *Tennessee Williams* Nadine Dony, 1958

Greek Bibliography of Tennessee Williams, 1984 **Tennessee Williams** Imtiaz H. Habib, 1986 **Addenda to "Tennessee Williams: a Selected Bibliography"**, 1959 *Tennessee Williams' Early Heroines* Robert Emmet Jones, 1959

Tennessee Williams, T-shirt Modernism and the Refashionings of Theater S. E. Gontarski, 2021-07-06 Tennessee Williams T shirt Modernism and the Refashionings of Theater reappraises the received wisdom that Williams's work fell into decline in the late 1960 as the Naturalism he was associated with not always through his own choice was replaced by European theatrical experimentalism and as culture saw a lifting of sexual restrictions It suggests instead that Williams was always experimental always more Chekhov than Ibsen a lyrical playwright inflected with the poetry of Harte Crane and that his late plays are as central to Williams's reshaping of American theater as those works of the immediate post World War II era that brought him fame and fortune Its general aim then is to engage the perception that Tennessee Williams is the greatest unknown playwright America has produced David Savran City University of New York In many respects the work of Tennessee Williams after a protracted period of neglect is primed for reappraisal reinterpretations and subsequently re stagings This work is part of that process academically at very least but performatively as well as academic reinterest often regenerates theatrical reinterest Tennessee Williams and Strindberg Richard B. Vowles, 1958 **Tennessee Williams** Philip Kolin, 1998-10-28 The plays of Tennessee Williams are some of the greatest triumphs of the American theatre If Williams is not the most important American playwright he surely is one of the two or three most celebrated rivaled only by Eugene O'Neill and Arthur Miller In a career that spanned almost five decades he created an extensive canon of more than 70 plays His contributions to the American theatre are inestimable and revolutionary The Glass Menagerie 1945 introduced

poetic realism to the American stage *A Streetcar Named Desire* 1947 explored sexual and psychological issues that had never before been portrayed in American culture *Cat on a Hot Tin Roof* 1955 dared to challenge the political and sexual mores of the Eisenhower era and his plays of the 1970s are among the most innovative works produced on the American stage But Williams was far more than a gifted and prolific playwright He created two collections of poetry two novels four collections of stories memoirs and scores of essays Because of his towering presence in American drama Williams has attracted the attention of some of the most insightful scholars and critics of the twentieth century The 1990s in particular ushered in a renaissance of Williams research including a definitive biography a descriptive bibliography and numerous books and scholarly articles This reference book synthesizes the vast body of research on Tennessee Williams and offers a performance history of his works Under the guidance of one of the leading authorities on Williams expert contributors have written chapters on each of Williams works or clusters of works Each chapter includes a discussion of the biographical context of a work or group of writings a survey of the bibliographic history an analysis of major critical approaches which looks at themes characters symbols and plots a consideration of the major critical problems posed by the work an overview of chief productions and film and television versions a concluding interpretation and a bibliography of secondary sources The volume concludes with a selected general bibliography and a comprehensive index

Critical Companion to Tennessee

Williams Greta Heintzelman, Alycia Smith Howard, 2014-05-14 One of the greatest American dramatists of the 20th century Tennessee Williams is known for his sensitive characterizations poetic yet realistic writing ironic humor and depiction of harsh realities in human relationship His work is frequently included in high school and college curricula and his plays are continually produced *Critical Companion to Tennessee Williams* includes entries on all of Williams's major and minor works including *A Streetcar Named Desire* *Cat on a Hot Tin Roof* *The Glass Menagerie* a novel a collection of short stories two poetry collections and personal essays places and events related to his works major figures in his life his literary influences and issues in Williams scholarship and criticism Appendixes include a complete list of Williams's works a list of research libraries with significant Williams holdings and a bibliography of primary and secondary sources
