Nazi spy and the Hollywood figures working with them In a romp made delightful in spite of spies murders and occasional dire peril Goulart uncannily resurrects the most garrulous Marx brother and his unique brand of patter The Groucho Marx of these stories is the next best thing to the capering of the late comedian himself and a happy gift to everyone who remembers him fondly as well as those meeting him for the first time      **The Triumphs of His Grace** David L. McKenna, 2023-06-08 Do you feel as if you have been burned by the church and its institutions Or have you stayed away for fear of being burned In either case you are not alone Confidence in the church and its institutions has plummeted since the turn of the century especially among the younger generation The rush to judgment is premature In David McKenna s growing years he had to go through the hoops and hurdles of a radical holiness tabernacle At the time the human standards were odious But now from the perspective of seventy years or more he can see how the threads of grace were being woven together into the whole cloth of God s perfect will for his life With confidence then he only asks that this young generation give the church a chance It is imperfect but it is still an instrument of the grace of God With full candor and full confidence then McKenna offers his spiritual odyssey as witness to the triumphs of God s grace
