cartels battle it out in broad daylight in a barrage of turf wars that seem to appear out of nowhere this is reality for the estimated 110 million people living below our southern border Now would probably be a good time to point out a few extenuating circumstances like the fact that I didn't speak Spanish I had less than 1 000 to my name absolutely no papers and no form of identification whatsoever and last but not least my name would soon be added to the federal marshal's list of most wanted criminals I would be at the very bottom of the list but still on it For the life of me I still don't understand why my plan sounded like a good idea back then and as far as how I mustered up the courage to set this plan into motion is still a mystery
