Terapia Ocupacional y Disfunción Física Annie Turner, 2003-01-02 Quinta edición por primera vez en castellano de una obra que desde hace más de 20 años fecha en que se publicó su primera edición ha llegado a ser un texto esencial para todos los estudiantes de terapia ocupacional y profesionales en ejercicio de la misma como herramienta de actualización ya que su principal objetivo es servir como vicio entre la teoría de la terapia ocupacional y la práctica profesional diaria. En esta edición se ha situado la ocupación como tema central de modo que los principios de valoración e intervención se basan en las necesidades ocupacionales del individuo.
