The Flower Man:

The Flower Man Donna Anders, 2010-06-15 Part time actress and full time mother Britt Hinson thought that most of her life's drama was confined to the stage. Then a threatening presence entered her world a mysterious stranger that no one but her pretty nine year old Katie had seen. Katie calls him the Flower Man and Britt and her husband Mark don't know whether to believe the child's bizarre tales of the notes and flowers he's left her. Lilies, forget me nots, a black rose. But Britt's fears intensify when with his threatening phone calls and aggressive prowling of their home the Flower Man draws her into a fight for her daughter's life. The Hinsons become a family under siege. And Britt knows a mother's love won't be enough to protect Katie from harm. With gripping realism *The Flower Man* pits a parent's love, a child's honesty and a family's security against the desperate acts of a relentless stalker.

Use your keen eyes to see that which needs to be seen and use your heart to discover the message that is waiting there just for you. The Flower Man comes to town in the dead of night. Before you know it each life is touched while color spreads throughout the street throughout the town all impacted by the life of the extraordinary Flower Man. The first time through just follow the Flower Man and you'll see the story revealed in color. Second time through just look in a window and follow a character. Every window and everyone on the street has a story to be discovered. Get lost in the pages and in the whimsical details Mark Ludy has left for you. And be sure to find Squeakers the elusive grey mouse found on EVERY PICTURE in Mark's books. All ages enjoy this book and has been used often in schools for creative writing.
