The Flowers Of Eire:

The Flowers of Eire Janet Frascarelli, 2001-04-02 *The Flowers of Eire* follows the Culhane family from their expulsion from Ireland throughout their lives in the newly forming continent of Australia. It is a saga of a brother and sister Lonnie and Bridget in their never ending search for their younger brother Liam who had been taken from them to be adopted by an wealthy English family. Set in the rugged sheep country of Victoria Province in the mid nineteenth century we are entwined in the lives of these two young people and witness their trials and triumphs as they continue their quest to be reunited with their sibling. From Ardara County Donegal in Ireland to Dublin and on to Echuca Australia *The Flowers of Eire* is a tale of perseverance and never ceasing faith and hope and is followed by a sequel *Rory* which follows the life of Lonnie's son Royal Navy Assistant Surgeon Rory Culhane.

On an Irish Island Robert Kanigel, 2012-02-07 *On an Irish Island* is a love letter to a vanished way of life in which Robert Kanigel the highly praised author of *The Man Who Knew Infinity* and *The One Best Way* tells the story of the Great Blasket a wildly beautiful island off the west coast of Ireland renowned during the early twentieth century for the rich communal life of its residents and the unadulterated Irish they spoke. With the Irish language vanishing all through the rest of Ireland the Great Blasket became a magnet for scholars and writers drawn there during the Gaelic renaissance and the scene for a memorable clash of cultures between modern life and an older sometimes sweeter world slipping away. Kanigel introduces us to the playwright John Millington Synge some of whose characters in *The Playboy of the Western World* were inspired by his time on the island. Carl Marstrander a Norwegian linguist who gave his place on Norway's Olympic team for a summer on the Blasket. Marie Louise Sjoestedt a Celtic studies scholar fresh from the Sorbonne and central to the story. George Thomson a British classicist whose involvement with the island and its people we follow from his first visit as a twenty year old to the end of his life. On the island they met a colorful coterie of men and women with whom they formed lifelong and life changing friendships. There's Tom's O Crohan a stoic fisherman one of the few islanders who could read and write Irish who tutored many of the incomers in the language's formidable intricacies and became the Blasket's first published writer. Maurice O Sullivan a good natured prankster and teller of stories whose memoir *Twenty Years A Growing* became an Irish classic and Peig Sayers whose endless repertoire of earthy tales left listeners spellbound. As we get to know these men and women we become immersed in the vivid culture of the islanders their hard lives of fishing and farming matched by their love of singing dancing and talk. Yet sadly we watch them leave the island the village becoming uninhabited by 1953. The story of the Great Blasket is one of struggle between the call of modernity and the tug of Ireland's ancient ways between the promise of emigration and the peculiar warmth of island life amid its physical isolation. But ultimately it is a tribute to the strength and beauty of a people who tucked away from the rest of civilization kept alive a nation's past and to the newcomers and islanders alike who brought the island's remarkable story to the larger world.

Irish Literature Maureen O'Rourke Murphy, James MacKillop, 1987 **Irish Bee Journal, a Monthly Beekeepers'**

Gazette ,1925 *An Irish Literature Reader* Maureen O'Rourke Murphy,James MacKillop,2006-07-10 In a volume that has become a standard text in Irish studies and serves as a course friendly alternative to the Field Day anthology editors Maureen O Rourke Murphy and James MacKillop survey thirteen centuries of Irish literature including Old Irish epic and lyric poetry Irish folksongs and drama For each author the editors provide a biographical sketch a brief discussion of how his or her selections relate to a larger body of work and a selected bibliography In addition this new volume includes a larger sampling of women writers **The Epic** Ryan Keith McConkey,2006-02 It has been about two thousand years since the life of Jesus Christ but his memory has not been forgotten The Bible is the most read book of all time and recently movies have come out about Jesus How then is it that Christianity has gotten so far from the teachings and life of the basis for the belief We have gone from a man who always showed love to everyone and a man who was poor in earthly standards to a religion with materialism and elitism Enter a world where Kings rule and Priests reign In this world there are only two countries and neither knows about the other one The first country is ruled by the High Priest who speaks on behalf of the creator The people of this country have a large set of rules to follow and because of their morality they have thrived as a nation Their city has large buildings and their temple resembles that of a very powerful King The people here worship the creator and they do not tolerate anyone who doesn't believe what they do The country is divided into two classes the believers and the unbelievers The unbelievers are struck with poverty and disease They are on the brink of annihilation with no hope in sight Across the ocean is another country that is ruled by their King The King is a servant of the people and he always puts the people's needs in front of his own His family has always been in power but the King is growing old and he was not able to have a son only a daughter The people of this country do not worship the creator for they know nothing about him They put all of their hope in their King A new man soon arrives to this country and he catches the eye of the princess The people look to this man to be their new King but this man has ulterior motives for the throne The only one who can challenge him for the throne is a young man who is in an inner struggle between the forces of evil and the forces of good You see the world has not always been this way for the creator was once the focus of all who roamed the earth What went wrong and why did the creator let it happen Will the forces of dark win or will light once again cover the world Will false religion win or will love
