The Folklore Calendar:

The Folklore Calendar. [With Plates.]. George LONG (Author of "The Folklore Calendar."),1930 **The Folklore Calendar** George Long,2013-10 This is a new release of the original 1930 edition *Folklore* Joseph Jacobs,Alfred Trübner Nutt,Arthur Robinson Wright,William Crooke,1913 Most vols for 1890 contain list of members of the Folklore Society A Folklore Calendar ,1989 **Stations of the Sun** Ronald Hutton,2001-02-15 Comprehensive and engaging this colourful

study covers the whole sweep of ritual history from the earliest written records to the present day From May Day revels and Midsummer fires to Harvest Home and Halloween to the twelve days of Christmas Ronald Hutton takes us on a fascinating journey through the ritual year in Britain He challenges many common assumptions about the customs of the past and debunks many myths surrounding festivals of the present to illuminate the history of the calendar year we live by today

Folklore Owen Davies,Ceri Houlbrook,2025-09-23 A gripping guide to the weird yet everyday world of British folklore In this ground breaking book two leading experts provide the definitive guide to British folklore past and present Owen Davies and Ceri Houlbrook explore folklore in all its remarkable variations from village rituals and fairy tales to UFO legends and internet fanfiction Travelling through a landscape of witches wizards and wicker men they reveal how folklore has been researched and written about in the past and show how it continues to be lived in the present At the same time they provide the reader with a valuable toolkit for understanding how to interpret the diverse examples given The book's key message is that folklore is much more than the fossilised remains of a distant rural past Folklore is and always has been ubiquitous dynamic and political It is a living tradition that draws from many sources including migrant communities and is forever being renewed and updated **The Folklore Calendar - Regional Ceremonies of the British Isles** George

Long,2006-06-01 Originally published in 1930 this book is a comprehensively detailed study of folklore and traditional ceremonies and beliefs in Britain conveniently broken down into months of the year Well illustrated throughout with photographs it has much to offer the student of folklore Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive Hesperides Press are republishing these classic works in affordable high quality modern editions using the original text and artwork Contents Include January New Year's Day February Benediction of the Throat March The Tichborne Dole April Hocktide at Hungerford May May Day Ceremonies June Riding the Marches at Hawick July The Historic Tynwald Ceremony August Punch and Judy September The Dance of the Deermen October Fox Hunting Etc Halloween November Bonfire Night December The Christmas Ceremony at Killin Perthshire *Publications* Folklore Society (Great Britain),1916 **Christian Mythology** Philippe Walter,2014-11-20 Reveals how Christian mythology has more to do with long standing pagan traditions than the Bible Explains how the church fathers knowingly incorporated pagan elements into the Christian faith to ease the transition to the new religion Identifies pagan deities that were incorporated into each of the saints Shows how all the major holidays in the Christian calendar are

modeled on pagan rituals and myths including Easter and Christmas In this extensive study of the Christian mythology that animated Europe in the Middle Ages author Philippe Walter reveals how these stories and the holiday traditions connected with them are based on long standing pagan rituals and myths and have very little connection to the Bible The author explains how the church fathers knowingly incorporated pagan elements into the Christian faith to ease the transition to the new religion Rather than tear down the pagan temples in Britain Pope Gregory the Great advised Saint Augustine of Canterbury to add the pagan rituals into the mix of Christian practices and transform the pagan temples into churches Instead of religious conversion it was simply a matter of convincing the populace to include Jesus in their current religious practices Providing extensive documentation Walter shows which major calendar days of the Christian year are founded on pagan rituals and myths including the high holidays of Easter and Christmas Examining hagiographic accounts of the saints he reveals the origin of these symbolic figures in the deities worshipped in pagan Europe for centuries He also explores how the identities of saints and pagan figures became so intermingled that some saints were transformed into pagan incarnations such as Mary Magdalene s conversion into one of the Celtic Ladies of the Lake In revealing the pagan roots of many Christian figures stories and rituals Walter provides a new understanding of the evolution of religious belief
