The Last Hill Bob Drury, Tom Clavin, 2022-11-01 Bob Drury and Tom Clavin s *The Last Hill* is the incredible untold story of one Ranger battalion s heroism and courage in World War II They were known as Rudder s Rangers the most elite and experienced attack unit in the United States Army In December 1944 Lt Col James Rudder s 2nd Battalion would form the spearhead into Germany taking the war into Hitler s homeland at last In the process Rudder was given two objectives Take Hill 400 and hold the hill by any means possible To the last man if necessary The battle hardened battalion had no idea that several Wehrmacht regiments who greatly outnumbered the Rangers had been given the exact same orders The clash of the two determined forces was one of the bloodiest and most costly encounters of World War II Castle Hill the imposing 1320 foot mini mountain the American Rangers simply called Hill 400 was the gateway to a desperate Nazi Germany Several entire American divisions had already been repulsed by the last hill s dug in defenders as unknown to the Allies the height was the key to Adolf Hitler s last minute plans for a massive counterattack to smash through the American lines in what would become known to history as the Battle of the Bulge Thus the stalemate surrounding Hill 400 could not continue For Supreme Allied Commander Gen Dwight Eisenhower there was only one solution Call in Rudder s Rangers Of the 130 special operators who stormed captured and held the hill that December day only 16 remained to stagger back down its frozen slopes *The Last Hill* is replete with unforgettable action and characters a rich and detailed saga of what the survivors of the 2nd Ranger Battalion would remember as our longest day

Simmons, 2014-11-06 World War II was the defining event of the twentieth century. For everyone it was a time of confusion, fear, destruction, and death on a scale never before seen. Much has been written of the generals' campaigns and battles of the war, but it was young, ordinary American kids who held our freedom in their hands as they fought for liberty across the globe. *Forgotten Heroes of World War II* offers a personal understanding of what was demanded of these young heroes through the stories of rank-and-file individuals who served in the navy, marines, army, air corps, and merchant marine in all theaters of the war. Their tales are told without pretense or apology. At the time, each thought himself no different from those around him, for they were all young, scared, and miserable. They were the ordinary, the extraordinary, the forgotten.
