The Forest Lovers Maurice Hewlett, 1898

The Forest Lovers Maurice Hewlett, 2015-09-30 There is a freshness a vivacity about the narrative itself as well as about the style that carries the reader more or less breathlessly along from one thrilling scene to another and leaves him at the end with little disposition to lay down the book We sincerely commiserate the jaded reader who cannot find amusement in *The Forest Lovers* The Critic Mr Hewlett has produced the most strikingly poetical and original novel that has seen the light for a long time Review of Reviews The plot is boldly conceived and strongly sustained the characters arc vigorously drawn and are thrown into striking contrast It leads the reader far from the dusty highway it is touched with the penetrating power of the imagination it has human interest and idyllic loveliness Hamilton W Mable *The Forest Lovers* is almost an inspiration It confirms the author's title to a high place as a master of the art of fiction writing Brooklyn Eagle From an advertisement in Book Reviews Volume 7 1899

The Forest Lovers Maurice Hewlett, 2019-12-05 Maurice Hewlett's *The Forest Lovers* is a lyrical exploration of love nature and the perennial struggle between humanity and the wild Set against the enchanting backdrop of the Forest of Dean during the medieval period the narrative weaves together elements of romance and fantasy with a rich prose style that immerses the reader in a palpably vivid landscape Hewlett's deft incorporation of both folklore and historical detail enriches the narrative allowing readers to experience the lushness of the forest not just as a setting but as a character in its own right mirroring the passions and trials of its human inhabitants Hewlett a noted English author of the early 20th century was influenced by the Romantic movement and its reverence for nature as well as his own experiences in the rural English countryside His appreciation for the intricacies of human emotion

and his fascination with myth and legend united to form a narrative that transcends mere escapism it is an exploration of the delicate interplay between love and the elemental forces of nature This thematic resonance stems from Hewlett s own diverse literary influences and his desire to reflect the complexities of the human spirit The Forest Lovers is a must read for those who appreciate rich evocative prose and the intricate interplay of human and natural worlds Whether one seeks an exploration of timeless love stories or a deep immersion into the enchantment of the natural realm Hewlett s novel offers a captivating journey that lingers long after the final page is turned
