When Men Murder Women R. Emerson Dobash, Russell P. Dobash, 2015-04-01 In the United States and Great Britain 20 30% of all homicides involve the killing of a woman by a man In *When Men Murder Women* Dobash and Dobash two seasoned researchers and longtime collaborators in the study of violence against women reveal what they learned from a three year study that included 866 homicide case files and 200 in depth interviews with murderers in prison They focus on intimate partner murder sexual murder and the murder of older women and compare each of these three types with those in which men murder other men Each type is examined in depth and detail in a separate section that begins with an overview of relevant research and is followed by a comprehensive examination of the murder event and the lifecourse of the perpetrators There has never before been a comprehensive book that has covered the entire scope of homicide cases in which men murder women The result is this essential text for students professionals policy makers and researchers studying violence gender and crime

Esoteric Psychology Vol I Alice A. Bailey, Djwhal Khul, 2012-08-01 Five volumes have been written under the overall title of *A Treatise on the Seven Rays* based on the fact the nature the quality and the interrelationship of the seven streams of energy pervading our solar system our planet and all that lives and moves within its orbit The first two volumes go extensively into the psychological make up of a human being as the life quality and appearance of an incarnating evolving spiritual entity They also relate the circumstance of a human psychology to world conditions and to future possibilities

Bible Correspondence School , 1886 **Science and the Ageless Wisdom** Alice A. Bailey, 2025-04-01 This book contains a structured collection of excerpts from the Alice Bailey writings mainly focussed on science yet also including topics related to philosophy and religion Human knowledge and thinking is evolving all the time Scientists or philosophers of the middle Ages or the time of the Enlightenment could hardly conceive the scientific view of today And who knows what the scientific view of the world will be in a century or even half a century from now
