The Freedom of Man in Myth Kees W. Bolle, 2010-08-01 Myth is not a remote subject restricted to the limited intellect of pre logical man The question What is man is an ancient one It is also a recent one still unanswered in the impasse of our sciences Wherever and whenever human beings are alive there are creators of myth among them Kees Bolle singles out one group as having the most significant say in the formation of myths the mystics who epitomize the common urge for a simplicity beyond the whirlpool of personal existences And surprisingly the author finds that the study of humor provides a great deal of insight into the study of religious traditions

Christology and Myth in the New Testament Geraint Vaughan Jones,2025-03-01 Christology and Myth in the New Testament 1956 enquires into the extent and origin of the mythological language and ideas underlying the Christology of the New Testament It examines the demythologizing principles and refers to the existential method of reinterpreting those New Testament concepts which are bound up with Hellenistic thought forms and the cosmology of the ancient world while also

exploring other philosophical and theological interpretations It considers that the mythical Christology of the New Testament writers should be understood poetically and metaphorically rather than as consisting of objective statements about Jesus and his place in creation The final section of the book is a defence of the retention of mythical concepts and language as psychologically and theologically necessary expressions of a religious faith which cannot be adequately expressed in merely propositional form *Northrop Frye on Myth* Ford Russell, 2021-10-28 Northrop Frye differed from other theorists of myth in tracing all of the major literary genres romance comedy satire not just tragedy to myth and ritual This volume is the most thorough presentation of his thinking on the subject
