The Friends Of Freeland:

The Friends of Freeland Brad Leithauser, 2011-11-02 In this roomy bawdy exuberantly comic novel Brad Leithauser takes us to an imaginary island country Freeland during a crucial election year Freeland occupies its own place in the North Atlantic somewhere between Iceland and Greenland A geological miracle it is desolate What green is to Ireland gray is to Freeland and inspiring The friends of the title are Hannibal an expansive lovable unruly giant of a man who has been President of Freeland for twenty years and Eggert his shrewd often prickly always devious sidekick and adviser who is Poet Laureate of Freeland and the book's narrator As the book opens Freeland long happily isolated and stubbornly independent is in trouble The sins of the rest of the world have begun to wash up on its shores in the form of drugs restless youth and a polluted fished out ocean And to add to the complications when Hannibal who has promised to step down as president decides to run again the opposition imports three electoral consultants from the United States As the story unfolds the histories of the friends are revealed While Hannibal is Fate's adored Eggert travels perpetually under a cloud Orphaned early he must make his way by his wits We follow him from his youth as he adventures Down Below any place south of Freeland collecting women lovers children restlessly churning out fifty books in his search for love and admiration returning home at last to raise a family and to serve his friend in his political hour of need This huge stunning magical book brims with pleasures delicious satire as the independent minded natives meet the U S trained spin doctors a vibrant comic strip vitality and an edgy poignancy Best of all Leithauser has created a whole world at once uncannily like and unlike our own Readers who journey to Freeland will find it both a land of wonders and an ideal place from which to view the world they've left behind

Embracing the Song of Phrase: An Emotional Symphony within **The Friends Of Freeland**

In some sort of eaten by monitors and the ceaseless chatter of fast transmission, the melodic elegance and emotional symphony developed by the written term often disappear in to the back ground, eclipsed by the constant noise and interruptions that permeate our lives. But, situated within the pages of **The Friends Of Freeland** an enchanting fictional value full of organic emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this fascinating masterpiece conducts visitors on a mental journey, skillfully unraveling the concealed melodies and profound affect resonating within each cautiously constructed phrase. Within the depths of the emotional examination, we can investigate the book is main harmonies, analyze their enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
