Daniel Moore, 2019-05-30 The Simple Power of a Broken Life serves to bring meaning to and ultimately healing from the suffering and pain that accompanies the broken seasons of our lives Drawing upon the brokenness of seven individuals from the Scriptures and their respective pain a picture of hope and usefulness emerges that serves to begin to make sense of the mysteries betrayals rejections heartaches and disappointments that we all eventually come into contact with in one form or another Not only do we each matter to God but our brokenness actually sets us apart as being more likely to be used to impact other lives Being fully convinced that God uses broken things we find that our brokenness is the starting point in a deeper more intimate experience with God Broken lives may experience a beautiful and simple power in the midst of their pain and suffering that the Father can use as a rich blessing for other wounded souls My strong desire is that the purpose of your pain and the healing of your heart will lead you into deeper

waters of God's grace than you have ever known before and that multitudes of people will be helped on their journey because of your brokenness Here's to believing that the simple power of your broken life will gloriously transform both you and all the lives God wants to touch through you
