hurry and distracting cares of the world The soul cannot prosper in spiritual things without much secret converse with its God and Savior Many duties are unavoidably of a public nature but these except in extraordinary cases should not occupy those portions of time which are sacred to meditation reading the Scriptures and prayer There is something peculiarly pleasant and profitable in the interchange of activity and retirement As activity sweetens retirement so retirement prepares the mind for renewed activity *New York Magazine* ,1993-08-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
