The Fundamental Ideas Of The Cursillo Movement:

The Fundamental Ideas of the Cursillo Movement ,1974 The Fundamental Ideas of the Cursillo Movement World Organization of the Cursillo Movement,1992-01-01 **The Cursillo Movement in America** Kristy Nabhan-Warren,2013

The internationally growing Cursillo movement or short course in Christianity founded in 1944 by Spanish Catholic lay practitioners has become popular among American Catholics and Protestants alike This lay led weekend experience helps participants recommit to and live their faith Emphasizing how American Christians have privileged the individual religious experience and downplayed denominational and theological differences in favor of a common identity as renewed people of faith Kristy Nabhan Warren focuses on cursillistas those who have completed a Cursillo weekend to show how their experiences are a touchstone for understanding these trends in post 1960s American Christianity Drawing on extensive ethnographic fieldwork as well as historical research Nabhan Warren shows the importance of Latino Catholics in the spread of the Cursillo movement Cursillistas stories she argues guide us toward a new understanding of contemporary Christian identities inside and outside U S borders and of the importance of globalizing American religious boundaries Cursillo Brian V. Janssen,2010-01-01 Since its inception in Roman Catholic Spain in the 1940s the Cursillo movement has been a steadily growing phenomenon and has spread into many Protestant churches worldwide under various names The weekend initiation is often a deeply felt experience that boasts of many conversions and commitments Yet in this comprehensive analysis of Cursillo the author finds theological concerns questions about the propriety of the methods and complications such as disaffection from the local church transfer of loyalty to the Cursillo community and a significant drop out rate raising implications for similar spiritual movements Interviews with former Cursillo participants confirmed many of these conclusions but also raised a challenge to the church many Cursillo participants do not perceive vital faith in their local church The author suggests that the Cursillo attempts to imitate the work of the church in an extraordinary form and that this might initiate some of the unhelpful results The church would be better served by seeking to revitalize its ordinary ministries of Word and sacrament prayer community and Sabbath observance **The New International Dictionary of Pentecostal and Charismatic Movements** Stanley M. Burgess,Eduard M. van der Maas,2010-08-03 The Definitive History of the Spirit Filled Church Encyclopedic coverage of Activities of the Spirit over 2 000 years of church history in 60 countries and regions Outpourings at Topeka Mukti Mission India Azusa Street Duquesne University and many other 20th century locations Current movements among today s 500 million plus Pentecostal and charismatic Christians worldwide The New International Dictionary of Pentecostal and Charismatic Movements sets modern Spirit filled Christianity in a context that spans two millennia and the entire Christian world Like no other resource this volume reveals in detail the full sweeping legacy of Spirit empowered movements that have touched hearts and lives both in modern America and across the centuries and continents in medieval Europe Finland in the 1700s South India in the 1800s Azusa Street at the turn of the 20th century

and much more including ongoing moves of the Holy Spirit throughout the world today One thousand entries provide the most extensive information available on Pentecostal charismatic and neoecharismatic movements The diverse topics covered include as a small sample glossolalia black and Hispanic Pentecostalism prophecy the role of women faith healing music sociology missions church growth and different historic and contemporary revivals With its unique international and historical perspective this completely revised and expanded second edition of the acclaimed Dictionary of Pentecostal and Charismatic Movements offers features that no other reference of its kind approaches Its extraordinary scope and detailed up to date coverage make this the definitive resource on Pentecostal and charismatic denominations and movements both in North America and worldwide Includes Exhaustive coverage of Pentecostal and charismatic movements in 60 countries and regions individual histories cultural and theological aspects and key figures and institutions Statistical section with a wealth of current information on the growth of classical Pentecostalism as well as charismatic and neoecharismatic movements 1 000 articles Over 500 photos and illustrations maps and timeline Cross references bibliographies and indexes to people places and topics
