The Future Of Community Lands Human Resources:

The Future of Community Lands Emmanuël Seyni Ndione, 1995 This book describes the approaches and experiences of rural development workers in Senegal working with small scale farmers Its aim is to highlight successful methodological approaches adopted by this group in their attempt to help farmers revitalize the local environment in community lands while building on the farmers own experiences It thus describes a facilitating approach It is additionally interesting to anglophone readers because the book comes out of the experiences of development workers in francophone West Africa and thus offers a fresh perspective on the common concerns of development workers worldwide
