The Onset of Global Governance Eric K. Leonard, 2017-03-02 Assessing the formation process of the International Criminal Court ICC this study provides a fuller and richer understanding of this institution It does so by adopting three analytical approaches neoliberal institutionalism regime theory and global governance Examining the implications of the ICC the volume draws conclusions about the changing nature of world politics in terms of conflict management authority governance and actor relevance It is highly suitable for courses and research in humanitarian and international law international relations theory globalization global governance and regime formation

Approaches to Global Governance Theory Martin Hewson, Timothy J. Sinclair, Timothy Sinclair, 1999-09-02 Showcases diverse theoretical approaches in the emerging area of global governance

Global Governance in the Twenty-first Century J. Clarke, G. Edwards, 2004-09-08 The key challenges of globalization are diffuse and outside the control of any one state In its most ambitious and forward looking form global governance seeks to create an international social fabric albeit imperfect which cumulatively amounts to more than the sum of its parts Global Governance in the Twenty first century aims to open a number of new areas for further analysis and in particular to begin a process of cross fertilization between different disciplines examining issues related to global governance

The Study of World Politics James N. Rosenau, 2006 Focusing on two pre eminent themes in contemporary world politics globalization and governance this volume offers a review of current thinking in this subject
