The
Garden of Allah

A Novel

By ROBERT HICHENS

Author of "The Woman with the Fan," "Felix," etc.

SOME EARLY, ENTHUSIASTIC COMMENTS

"A powerful, fascinating novel. We are **SPELL-BOUND TO KNOW THE ISSUE.**"

—Punch.

"Never in these modern years has such a remarkable novel as this been presented to us. Never once does it — big though it is — offend the artistic taste because it is unsymmetrical. The strength of the book is overpowering almost, yet beauty is never outraged. It is **TRULY A GREAT AND DISTINCT NOVEL.**"—Echo.

"We have waited for this book a long time. We have felt that Mr. Hichens must some day find himself; that then he would give us something for which every lover of literature might thank him from their hearts. Now he has justified that hope in full measure, pressed down and running over. The book **LIFTS US RIGHT OUT OF THE RUCK OF LITTLE TALES** about little people which pass muster for the best fiction in these lean times. A novel in which there are great qualities, as I believe, which belong to literature of the highest class."—Daily Mail.

The Garden Of Allah The Best Sellers Of 1905:

Faithful Fictions Thomas M. Woodman, 2022-02-25 Catholic writers have made a rich contribution to British fiction despite their minority status Evelyn Waugh Graham Greene and Muriel Spark are well known examples but there are many other significant novelists whose work has a Catholic aspect This is the first book to survey the whole range of this material and examine whether valid generalizations can be made about it In charting such fiction from its development in the Victorian period through to the work of contemporaries such as David Lodge the author analyses its complex relationships with changes in British society and the international Church There is more than one way of being a Catholic as Woodman shows but he also demonstrates that many of these writers share common themes and a distinctive perspective They often wish in particular to use their religion as a weapon against what they portray as a complacent Protestant or secular society Their consciousness of writing in the midst of such a society gives a special edge to their treatments of the perennial Catholic themes of suffering sin and sex It also has implications for literary form and relates to what has been seen as the extremist mode of Catholic fiction The final question that Woodman puts is whether the changes in the Church since the Second Vatican Council must inevitably lead to the loss of this distinctive Catholic contribution to the novel

The House of Mirth Edith Wharton, 1999-07-15 Since its publication in 1905 The House of Mirth has commanded attention for the sharpness of Wharton's observations and the power of her style Its heroine Lily Bart is beautiful poor and unmarried at 29 In her search for a husband with money and position she betrays her own heart and sows the seeds of the tragedy that finally overwhelms her The House of Mirth is a lucid disturbing analysis of the stifling limitations imposed upon women of Wharton's generation Herself born into Old New York Society Wharton watched as an entirely new set of people living by new codes of conduct entered the metropolitan scene In telling the story of Lily Bart who must marry to survive Wharton recasts the age old themes of family marriage and money in ways that transform the traditional novel of manners into an arresting modern document of cultural anthropology
