Rescue The Captors Russell Stendal, 2019-07-19 The terror began on August 14 1983 American bush pilot Russell Stendal on a routine flight landed in a remote Colombian village and within minutes gunfire erupted Russell was kidnapped at gunpoint by guerrilla fighters launching a 142 day ordeal deep in the jungle With nothing but time and his faith Russell began to write He documented his life his captors and the raw reality of survival in a hostile world His writings became a bridge between captive and captor and now form the basis of this unforgettable true story Rescue the Captors is more than a survival memoir it s a testament to faith redemption and the power of God s love to break through even the darkest jungles physical and ideological Readers who love true crime missionary stories survival adventures and real life thrillers will be captivated by this gripping faith driven account , Terrorism Chester L. Quarles, 2000 Terrorism is a thoroughly researched collection of information on how to prevent avoid cope with recover from and analyze criminal kidnapping and hostage taking Filled with the stories of successful hostages along with statistics from intelligence files and international reports this book is intended as a scholarly yet practical approach to this world wide issue The author interviews well known former hostages such as David Dodge General and Mrs James Dozier Richard Grover Gordon Kennedy Larry and Sis Levin Roy Libby Bruce Olson and Lloyd Van Vactor Based on fifteen years of research and Quarles experience as a negotiator for missionaries taken hostage Terrorism is a book that is appropriate for political theorists as well as those in the field

**Cultural Heritage Management and Indigenous People in the North of Colombia** Wilhelm Londoño Díaz, 2020-12-29 Cultural Heritage Management and Indigenous People in the North of Colombia explores indigenous people s struggle for territorial autonomy in an aggressive political environment and the tensions between heritage tourism and Indigenous rights South American cases where local communities especially Indigenous groups are opposed to infrastructure projects are little known This book lays out the results of more than a decade of research in which the resettlement of a pre Columbian village has been documented It highlights the difficulty of establishing the link between archaeological sites and objects and Indigenous people due to legal restrictions From a decolonial framework the archaeology of Pueblito Chairama Teyk is explored and the village stands as a model to understand the broader picture of the relationship between Indigenous people and political and economic forces in South America The book will be of interest to researchers in Archaeology Anthropology Heritage and Indigenous Studies who wish to understand the particularities of South American repatriation cases and Indigenous archaeology in the region **People's War** Thomas A Marks, Paul Rich, 2019-12-18 Far from being an anachronism much less a kit bag of techniques people s war raises what has always been present in military history irregular warfare and fuses it symbiotically with what has likewise always been present politically rebellion and the effort to seize power The result is a strategic approach for waging revolutionary warfare the effort to make a revolution Voluntarism is wedded to the exploitation of structural contradiction through the building of a new world to challenge the existing world

through formation of a counterstate within the state in order ultimately to destroy and supplant the latter This is a process of far greater moment than implied by the label guerrilla warfare so often applied to what Mao and others were about This volume deals with the continuing importance of Maoist and post Maoist concepts of people s war Drawing on a range of examples that include Peru Colombia Bolivia the Caucasus and Afghanistan the collection shows that the study of people s war is not just an historical curiosity but vital to the understanding of contemporary insurgent and terrorist movements The chapters in this book were originally published as a special issue of Small Wars Insurgencies

**Throwing Stones at the Moon** Sibylla Brodzinsky,Max Schoening,2023-03-28 Since 1964 Colombia has been embroiled in internal armed conflict among guerrilla groups paramilitary militias and the country s own military Civilians in Colombia face a range of abuses from all sides including killings disappearances and rape and more than four million have been forced to flee their homes The oral histories in Throwing Stones at the Moon describe the most widespread of Colombia s human rights crises forced displacement Speakers recount life before displacement the reasons for their flight and their struggle to rebuild their lives NARRATORS INCLUDE MARIA VICTORIA whose fight against corruption as a hospital union leader led to a brutal attempt on her life In 2009 assassins tracked her to her home and stabbed her seven times in the face and chest Since the attack Julia has undergone eight facial reconstructive surgeries and continues to live in hiding DANNY who at eighteen joined a right wing paramilitary s training camp Initially lured by the promise of quick money Danny soon realized his mistake and escaped to Ecuador He describes his harrowing escape and his struggle to survive as a refugee with two young children to support

violence the fumigation of illicit and licit crops alike and women s stigmatization due to their involvement in an illegal trade But coca was also a source of livelihood that helped them attain economic independence and gave them the ability to improve their well being and that of their families The recent peace accord signed between the Colombian government and the country s main guerrilla group represents a historic opportunity to learn from past mistakes in terms of the illicit crop problem and the social and political demands of coca growing communities Against this backdrop it is time to recognize the contributions that women coca growers have made in both the public and the private spheres toward the construction of a peaceful countryside in the most remote and forgotten regions of the country *Holy Bible Text Edition NLT*

**Escaping the Khmer Rouge** Chileng Pa,Carol A. Mortland,2017-02-10 The Khmer Rouge ruled Cambodia for three years eight months and twenty days After overthrowing Lon Nol in April 1975 and establishing a so called Democratic Kampuchea the Communist sponsored government was responsible for the deaths of as many as two million people almost one third of the country s population Here Chileng Pa vividly recalls life under the Cambodian Communists Attempting to conceal his identity as a policeman for the previous government Chileng changed his name and moved his family to the village of Prayap near the Vietnamese border In April of 1977 after two years of starvation and cruelty at the hands of the Khmer Rouge Chileng was forced to watch as Communist guerillas brutally murdered his wife and two year old son With nothing left for him in Prayap Chileng fled to Vietnam but eventually returned to Cambodia as part of a Vietnamese invasion force that would end the bloody reign of the Khmer regime In 1981 Chileng and his new family found their way to America His simple strand of remembrance serves to honor all those who died at the hands of the Khmer Rouge **Angels of the**

**Underground** Theresa Kaminski,2016 Angels of the Underground makes a significant contribution to the work on women s wartime experiences Through the lens of Utinsky and Phillips who never wavered in their belief that it was their duty as patriotic American women to aid the Allied cause Kaminski highlights how women have always been active participants in war whether or not they wear a military uniform An impressive work of scholarship grounded in archival research and personal interviews this is also a stunning story of courage and heroism in wartime *The Sons of Adam* Alan

Mackie,2012-11-16 A diary kept by journalist Alan Mackie in Cairo in 1973 during the 7 Day War with Israel and the effect it has had on present Egyptian politics and attitudes to the West **Buried Secrets** Victoria Sanford,2003-04-19 Between the

late 1970s and the late 1980s Guatemala was torn by mass terror and extreme violence in a genocidal campaign against the Maya which became known as La Violencia More than 600 massacres occurred one and a half million people were displaced

and more than 200 000 civilians were murdered most of them Maya Buried Secrets brings these chilling statistics to life as it chronicles the journey of Maya survivors seeking truth justice and community healing and demonstrates that the Guatemalan army carried out a systematic and intentional genocide against the Maya The book is based on exhaustive research including more than 400 testimonies from massacre survivors interviews with members of the forensic team human rights leaders high ranking military officers guerrilla combatants and government officials Buried Secrets traces truth telling and political change from isolated Maya villages to national political events and provides a unique look into the experiences of Maya survivors as they struggle to rebuild their communities and lives
